OF SECURITY INTEREST IN PATENT COLLATERAL**

TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENT COLLATERAL (this "Termination and Release"), dated as of September 30, 2011, from Barclays Bank PLC, as administrative agent (in such capacity, the "Administrative Agent") for the Secured Creditors (as defined in the Security Agreement referred to below), to Installshield Co. Inc., a Delaware corporation (the "Debtor"). Capitalized terms used and not defined herein have the meanings given such terms in the Security Agreement (as defined below).

WHEREAS, Installshield Co. Inc., the Debtor, the other Debtors (as defined in the Credit Agreement), and Barclays Bank PLC, as Administrative Agent, entered into that certain Credit Agreement, dated as of January 20, 2011 (as amended, supplemented or modified from time to time, including amendments and restatements thereof in its entirety, the "Credit Agreement");

WHEREAS, in connection with the Credit Agreement, the Debtor executed and delivered that certain Security Agreement, dated as of January 20, 2011, in favor of the Administrative Agent (as amended, modified, supplemented or restated from time to time, the "Security Agreement"), pursuant to which the Debtor executed and delivered that certain Patent Security Agreement, dated as of January 20, 2011 (the "Patent Security Agreement");

WHEREAS, pursuant to the Security Agreement and the Patent Security Agreement, the Debtor granted to the Administrative Agent for the benefit of the Secured Creditors a lien on and security interest in, and right of set off against, and acknowledged and agreed that the Administrative Agent had and should continue to have for the benefit of the Secured Creditors a continuing lien on and security interest in, and right of set off against, all of the Debtor's right, title, and interest, whether then owned or existing or thereafter created, acquired or arising, in and to the Patent Collateral (as defined below) (the "Security Interest");

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office at Reel 025675, Frame 0832 on January 21, 2011; and

WHEREAS, the Administrative Agent now desires to terminate and release the entirety of its Security Interest in the Patent Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms set forth in this Termination and Release, the Administrative Agent hereby agrees as follows:

SECTION 1. Patent Collateral. The term "Patent Collateral," as used herein, shall mean all (i) patents, including all registrations and applications for patents, including without limitation the registrations and applications listed in Schedule A attached hereto, and all of the inventions described and claimed therein and any and all

reissues, divisions, continuations, continuations-in-part, extensions and reexaminations thereof; and (ii) the right to sue or otherwise recover for any past, present and future infringement or other violation or impairment of any of the foregoing, including the right to receive all proceeds therefrom, including without limitation license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto.

SECTION 2. Release of Security Interest. The Administrative Agent hereby terminates, releases and discharges its Security Interest in the Patent Collateral and any right, title or interest of the Administrative Agent in or to such Patent Collateral shall hereby cease and become void.

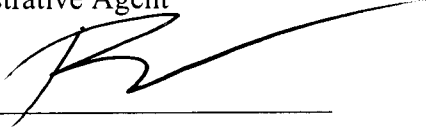

SECTION 3. Further Assurances. The Administrative Agent shall execute and deliver to the Debtor all further releases and other documents (including without limitation Uniform Commercial Code termination statements), and take all other actions necessary or reasonably desirable for the release of such Security Interest.

SECTION 4. Recordation. The Administrative Agent authorizes the recordation of this Termination and Release with the United States Patent and Trademark Office and any other applicable registry, the filing of Uniform Commercial Code financing statements and the filing or recording of any other document or instrument necessary to place on record the termination and release of the Administrative Agent's Security Interest in the Patent Collateral by the Debtor or any Person authorized or designated by the Debtor, upon reasonable notice to the Administrative Agent, and any such recordation or filing shall be deemed to have been authorized by the Administrative Agent.

SECTION 5. Governing Law. This Termination and Release shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereof.
