ASSIGNMENT OF PATENTS AND APPLICATIONS

WHEREAS, we, ROHIT SACHDEVA and PETER BESSELINK have co-invented certain new and useful inventions, for which we have made application for Letters Patent of the United States as fully set forth and described in the following United States Patents and applications ("Patents");

Patent No.	Application No.	Filing Date
6,780,175	09/156,276	1998-09-17
7,037,321	10/923,918	2004-08-23
	11/381,217	2006-05-02

WHEREAS, MEMORY MEDICAL SYSTEMS, INC., having a place of business at 4609 Kellner Place, Plano, Texas, 75093, ("Memory Medical") is desirous of acquiring the entire right, title and interest in and to the Patents;

NOW THEREFORE, to all whom it may concern, be it known, that for good and valuable consideration, the receipt of which is hereby acknowledged, we, ROHIT SACHDEVA and PETER BESSELINK, have sold, assigned, transferred, and set over, and by these presents do sell, assign, transfer, and set over unto, the whole right, title, and interest in and to the Patents and any and all improvements disclosed in the aforesaid applications for patent, as fully set forth and described therein, and all divisionals, continuations, renewals, reissues, reexaminations and all other applications for Letters Patent derived from the Patents which have been or shall be filed in the United States and in and to the United States Letters Patent to be issued thereon for the territory of the United States, and all corresponding foreign counterpart applications derived from the Patents as prepared for and filed in any and all foreign countries, said whole right, title, and interest in and to the Patents being the same for Memory Medical's own use and for the use of its assigns, successors, and legal representatives to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And we, for ourselves, our heirs, assigns, and legal representatives hereby covenant to and with the assignee Memory Medical, its assigns, successors, and legal representatives, that we have the full right to sell and assign the whole right, title, and interest in and to the Patents and the Letters Patent to be issued therefrom, and that the entire interest herein conveyed is free from any and all prior assignments, grants, mortgages, licenses, or any other encumbrance whatsoever. And we also, for ourselves, our heirs, assigns, and legal representatives hereby further covenant to and with the assignee Memory Medical, its assigns, successors, and legal representatives to fully cooperate therewith in the prosecution of the aforesaid applications in the United States Patent and Trademark Office and in any and all foreign jurisdictions, said cooperation extending to any U.S. or foreign divisional, continuation, renewal, reissue, reexamination or any other application derived from the aforesaid applications, and including the execution of additional declarations, assignments, and other formal documents as may be required in connection therewith.

And we do hereby authorize and request the United States Commissioner of Patents to issue Letters Patent to Memory Medical, as the assignee of our entire right and title therein.

IN TESTIMONY WHEREOF, we have hereunto set our hand and seal on the day and month of 2010 as indicated below.
