DEED OF CONFIRMATION OF ASSIGNMENT

THIS DEED is made effective the 2nd day of March 2011

BETWEEN XEROCOAT, INC. of 250 Chesapeake Drive, Redwood City, CA 94063,
USA; US TIN: 26-0525929 ("the Assignor")

AND BRISMAT INC. of 410 Pope Street, Menlo Park, CA 94025, USA; US TIN:
27-5096611 ("the Assignee")

WHEREAS

1. The Assignor was the owner of the Intellectual Property listed in Schedule A hereto which includes patent and trade mark applications and registrations as well as inventions as defined in the specifications of unfilled patent specifications;
2. The Assignor entered into a Loan and Security Agreement dated March 27, 2008, as amended (the "Loan Agreement") with Lighthouse Capital Partners VI, L.P. ("Lighthouse") which included a security interest in the Intellectual Property as Collateral thereunder (as defined in the Loan Agreement);
3. The Assignor defaulted on the Loan Agreement and the Assignor and Lighthouse subsequently agreed to sell the Intellectual Property to the Assignee for cash consideration.
4. The Assignor has transferred its rights in the Intellectual Property to the Assignee by execution of a Peaceful Foreclosure Agreement and Foreclosure Sale Agreement executed 2 March 2011; and
5. The sole purpose of this Deed is for recordal of the transfer of rights at the Intellectual Property Offices of Australia, the United States of America and any other country.

THIS DEED WITNESSES: pursuant to the foregoing and acknowledging the good and valuable consideration well and truly paid to the ASSIGNOR by or on behalf of the ASSIGNEE, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed between the parties as follows;

THIS DEED CONFIRMS THE FOLLOWING:

1. The Assignor has assigned to the Assignee all rights, title and interest in and to the Intellectual Property throughout the world, including the right to file patent applications for the inventions as defined in the unfiled patent specifications held by Fisher Adams Kelly Patent and Trade Marks Attorneys, Brisbane, Australia, also including the right to file such further applications as may be desirable in relation to the Intellectual Property, including international applications through the Patent Cooperation Treaty, continuation applications and national phase or convention applications filed in Australia, the United States of America and any other country;
2. The Assignor hereby undertakes at the expense of the Assignee to sign, execute and deliver all documents, forms and papers reasonably required to be produced or obtained by the Assignee, in connection with recordal of the transfer of the Intellectual Property;
3. The Assignor warrants that it has the power and authority to enter into this Deed and that, to the best of its knowledge and belief, it is not aware of any material matter which is likely to affect adversely the protection or exploitation of the Intellectual Property;
4. Lighthouse, to the extent necessary, grants a release to the Assignor of any lien held in respect of the Intellectual Property for the purpose of this transfer;
5. The Assignor hereby agrees that the Assignee may carry out all such steps as are necessary for the recordal of this Assignment in the sole name of the Assignee at the Intellectual Property Offices of Australia, the United States of America and any other country;
6. The Assignor hereby agrees that the Assignee may record this Deed of Assignment in the U.S. Patent and Trademark Office and other patent offices, where it will be open for public inspection; and
7. This agreement may be executed in multiple counterparts, each of which shall be deemed to be an original, and all such counterparts shall constitute but one instrument.
