ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I/WE, the undersigned, Eliza Yingzi Du, and Craig Belcher, do hereby sell, assign, and transfer to: Indiana University Research & Technology Corporation, a corporation of Indiana, having a place of business at 351 West 10<sup>th</sup> Street, Indianapolis, Indiana 46202, ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the International Patent Application,

- which has been executed by the undersigned concurrently herewith,
- which was filed on March 19, 2010 and assigned Serial No. PCT/US10/27917

and is entitled: "SYSTEM AND METHOD FOR NON-COOPERATIVE IRIS RECOGNITION" and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions and improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority resulting from the filing of said International Application; and

Agree that said Assignee may apply for and receive Letters Patent for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and improvements, and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and improvements, and for vesting title to said inventions and improvements, and all applications to patents and all patents on said inventions and improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
