ASSIGNMENT

For valuable consideration, we, **DENNIS PEARSON**, of Foothill Ranch, California, and a citizen of the United States of America and **GUANG JIN**, of Santa Monica, California, and a citizen of Canada (hereinafter referred to as "Assignors"), hereby assign to **TEMPO INDUSTRIES**, a corporation organized and existing under and by the virtue of the laws of the State of California, and having a place of business located at 1961 McGaw Avenue, Irvine, California 92614, and its successors and assigns (hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are the subject of, or disclosed in, United States Provisional Patent Application Serial Number 61/232,335, filed August 7, 2009, entitled "**SEAT LIGHT AND BACKLIT PLAQUE HOLDER**," and United States Utility Patent Application Serial Number 12/787,814, filed May 26, 2010, entitled "**SEAT LIGHT AND BACKLIT PLAQUE HOLDER**," and any and all related applications and patents, this assignment including said applications, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing dates of said applications and based on the filing date of any provisional and other application of which said applications claim the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts as may be necessary to assist in filing or prosecuting any such application, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to us, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignors hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.
