WHEREAS, Debtor is an affiliate of Borrower and owns one or more patents and/or trademarks necessary to the business of Borrower; and

WHEREAS, in order to induce the Secured Party to enter into the Credit Agreement, the Debtor has agreed to execute and deliver this Agreement to the Secured Party; and

WHEREAS, this Agreement is being executed in connection with and in addition to the Security Agreement dated as of the date hereof and executed by the Borrower in favor of the Secured Party, as the same may from time to time be amended, modified, extended, renewed or restated (the "Security Agreement"), pursuant to which the Borrower has granted to the Secured Party a security interest in and lien on, among other things, all accounts, inventory, general intangibles, goods, machinery, equipment, books, records, goodwill, patents, patent applications, trademarks and trademark applications now owned or hereafter acquired by the Borrower and all proceeds thereof;

2. Representations, Warranties and Covenants of the Debtor. The Debtor hereby represents and warrants to the Secured Party, and covenants and agrees with the Secured Party, that:

(a) all of the Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and none of the Patents or Trademarks are at this time the subject of any challenge to their validity or enforceability;

(b) to the best of the Debtor's knowledge, each of the Patents and Trademarks is valid and enforceable;

(c) (i) no claim has been made that the use of any of the Patents or Trademarks does or may violate the rights of any third person, (ii) no claims for patent infringement have been commenced in connection with any of the Patents and (iii) no claims for trademark infringement have been commenced in connection with any of the Trademarks;

(d) the Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents and Trademarks, free and clear of any and all Liens, charges and encumbrances, including, without limitation, any and all pledges, assignments, licenses, registered user agreements, shop rights and covenants by the Debtor not to sue third persons (other than liens in favor of the Secured Party);

(e) the Debtor has the unqualified right, power and authority to enter into this Agreement and perform its terms;

(f) the Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the registered Patents and Trademarks, and will cause the Borrower to do the same;

(g) the Debtor has the exclusive, royalty-free right and license to use the Patents and Trademarks and agrees not to transfer any rights or interest in any of the Patents or Trademarks during the term of this Agreement, other than an exclusive license to the Borrower; and

(h) the Debtor has no notice of any suits or actions commenced or threatened with reference to any of the Patents or Trademarks.

3. Inspection Rights; Product Quality. The Debtor will permit and will cause Borrower to permit inspection of the Debtor's and Borrower's facilities which manufacture, inspect or store products sold under any of the Patents and/or Trademarks and inspection of the products and records relating thereto by the Secured Party during normal business hours and at other reasonable times. The Debtor will reimburse the Secured Party upon demand for all costs and expenses incurred by the Secured Party in connection with any such inspection conducted by the Secured Party while any Event of Default or any event which with notice or lapse of time or both would constitute an Event of Default under the Credit Agreement has occurred and is continuing. A representative of the Debtor may be present during any such inspection, provided that a particular representative's availability or unavailability shall not inhibit or delay such inspection. The Debtor agrees (a) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable practices and (b) to provide the Secured Party, upon the Secured Party's reasonable request from time to time, with a certificate of an officer of the Debtor certifying the Debtor's compliance with the foregoing.

4. Further Assurances. The Debtor hereby agrees that, until (a) all of the Secured Obligations shall have been fully, finally and indefeasibly paid in cash, (b) there shall be no remaining commitment or obligation of the Secured Party to advance funds, make loans or extend credit to, and/or issue letters of credit for the account of, the Borrower under the Credit Agreement, any other Loan Document or otherwise, (c) no letters of credit issued by the Secured Party for the account of and/or upon the application of the Borrower shall remain outstanding, and (d) the Credit Agreement shall have expired or been terminated in accordance with its terms, it will not, without the prior written consent of the Secured Party, enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with the Debtor's obligations under this Agreement or the Credit Agreement and the Debtor agrees that it will not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Secured Party under this Agreement. The Debtor further agrees that at any time and from time to time, at the expense of the Debtor, the Debtor will promptly execute and deliver to the Secured Party any and all further instruments and documents and take any and all further action that the Secured Party may request in good faith in order to perfect and protect the security interest granted hereby with respect to the Patents and Trademarks or to enable the Secured Party to exercise its rights and remedies under this Agreement with respect to the same.

5. Additional Patents and/or Trademarks. If the Debtor (a) becomes aware of any existing Patents and/or Trademarks of which the Debtor has not previously informed the Secured Party, (b) obtains rights to any new patentable inventions, Patents and/or Trademarks or (c) becomes entitled to the benefit of any Patents and/or Trademarks which benefit is not in existence on the date of this Agreement, the provisions of this Agreement shall automatically apply thereto and the Debtor shall give the Secured Party prompt written notice thereof.

6. Modification by the Secured Party. The Debtor authorizes the Secured Party to modify this Agreement by amending Schedules A, B, C and/or D to include any future patents and patent applications and/or any future trademarks, service marks, trademark or service mark registrations, trade names and/or trademark or service applications, covered by Paragraphs 1 and 5 hereof, without the signature of the Debtor if permitted by applicable law.

7. Use of Patents and Trademarks. So long as no Event of Default under the Credit Agreement has occurred and is continuing, the Debtor may use the Patents and Trademarks in any lawful manner not inconsistent with this Agreement on and in connection with products sold by the Debtor and the Borrower, for the Debtor's own benefit and account and for none other.

8. Default. If any Event of Default under the Credit Agreement shall have occurred and be continuing, the Secured Party shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code of any

applicable jurisdiction and, without limiting the generality of the foregoing, the Secured Party may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Debtor, all of which are hereby expressly waived by the Debtor, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents and/or Trademarks (together with the goodwill of the Debtor associated therewith), or any interest which the Debtor may have therein, and after deducting from the proceeds of sale or other disposition of the Patents and/or Trademarks all expenses (including, without limitation, all expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations in such order and manner as the Secured Party may elect. Notice of any sale or other disposition of any of the Patents and/or Trademarks shall be given to the Debtor at least five (5) business days before the time of any intended public or private sale or other disposition of such Patents and/or Trademarks is to be made, which the Debtor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Secured Party or any holder of any of the Secured Obligations may, to the extent permissible under applicable Law, purchase the whole or any part of the Patents and/or Trademarks sold, free from any right of redemption on the part of the Debtor, which right is hereby waived and released by the Debtor to the maximum extent permitted by applicable Law. The Debtor agrees that upon the occurrence and continuance of any Event of Default under the Credit Agreement, the use by the Secured Party of the Patents and Trademarks shall be worldwide, and without any liability for royalties or other related charges from the Secured Party to the Debtor. If an Event of Default under the Credit Agreement shall occur and be continuing, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name (for the benefit of itself) to enforce any and all of the Patents and/or Trademarks, and, if the Secured Party shall commence any such suit, the Debtor shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement and the Debtor shall promptly, upon demand, reimburse and indemnify the Secured Party for all costs and expenses incurred by the Secured Party in the exercise of its rights under this Agreement. All of the Secured Party's rights and remedies with respect to the Patents and Trademarks, whether established hereby, by the Security Agreement or by any other agreement or by Law shall be cumulative and may be exercised singularly or concurrently.

9. Termination of Agreement. At such time (a) all of the Secured Obligations shall have been fully, finally and indefeasibly paid in cash, (b) there shall be no remaining commitment or obligation of the Secured Party to advance funds, make loans or extend credit to, and/or issue letters of credit for the account of, the Borrower under the Credit Agreement, any other Loan Document or otherwise, (c) no letters of credit issued by the Secured Party for the account of and/or upon the application of the Borrower shall remain outstanding and (d) the Credit Agreement shall have expired or been terminated in accordance with its terms, the Secured Party shall, upon the written request of the Debtor terminate this Agreement execute and deliver to the Debtor all instruments as may be necessary or proper to extinguish the Secured Party's security interest in the Collateral, subject to any disposition thereof which may have been made by the Secured Party pursuant to this Agreement.

(a) Notice of the acceptance of this Agreement, and of the incurrence of any of the Obligations, and presentment, demand for payment, notice of dishonor, protest, notice of protest and of default by the Borrower are hereby waived by the Debtor. The Debtor hereby agrees that (a) the Secured Party may exercise its rights and remedies against the Collateral independently of and without proceeding against the Borrower, any guarantor(s) of any or all of the Obligations or foreclosing or exercising any other rights or remedies against or with respect to any other collateral pledged to the Secured Party by the Borrower and/or any other person and (b) the Secured Party may from time to time in its sole and absolute discretion, without notice to or consent of the Debtor, without affecting the security interest in and lien on the Collateral and without releasing the Debtor from any of the Debtor's obligations under this Agreement, (i) increase the principal amount of, extend the time of payment of, change the interest rates on, renew and/or change the manner, place, time and/or terms of payment of and/or make any other changes with respect to any or all of the Obligations, (ii) sell, exchange, release, surrender and otherwise deal with any collateral pledged to the Secured Party by the Borrower and/or any other person to secure any or all of the Obligations, (iii) release and otherwise deal with Borrower and/or any guarantor(s) of any or all of the Obligations, (iv) exercise or refrain from exercising any rights against the Borrower, any guarantor(s) of any or all of the Obligations and otherwise act or refrain from acting with respect to the

Borrower and/or any guarantor(s) of any or all of the Obligations and/or (v) settle or compromise any or all of the Obligations with the Borrower.

(b) The Debtor shall have no right of subrogation, reimbursement, contribution or indemnity whatsoever with respect to the Borrower and/or any guarantor(s) of any or all of the Obligations and no right of recourse to or with respect to any property or assets of the Borrower and/or any guarantor(s) of any or all of the Obligations or to any collateral or other security for the payment of any or all of the Obligations unless and until (a) all of the Obligations shall have been fully, finally and indefeasibly paid in cash, (b) all of the financing arrangements and commitments between the Borrower and the Secured Party have been terminated and (c) this Agreement has been terminated.

(c) No invalidity, irregularity or unenforceability of any or all of the Obligations or of any collateral or any guarantees therefor shall affect, impair or be a defense to this Agreement. The grant of the lien on the Collateral by the Debtor to the Secured Party pursuant to this Agreement shall in no way be affected or impaired by any acceptance by the Secured Party of any other collateral for or any guarantees of any of the Obligations, or by any failure, neglect or omission on the part of the Secured Party to realize upon or protect any of the Obligations or any collateral therefor or guarantees thereof. No act of commission or omission of any kind by the Secured Party (including, without limitation, any act or omission which impairs, reduces the value of, releases or fails to perfect a lien upon, any collateral for or guarantee of any of the Obligations) shall affect or impair the security interest and lien on the Collateral by the Debtor to the Secured Party pursuant to this Agreement and/or the obligations of the Debtor under this Agreement in any manner.

12. Preservation of Patents and Trademarks. The Debtor shall have the duty to (a) file and prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter, (b) make application on unpatented but patentable inventions and on trademarks and service marks and (c) preserve and maintain all rights in the Patents and Trademarks, in each case as is commercially reasonable. Any expenses incurred in connection with the Debtor's obligations under this Section 11 shall be borne by the Debtor.

13. The Secured Party Appointed Attorney-In-Fact. If any Event of Default under the Credit Agreement shall have occurred and be continuing, the Debtor hereby authorizes and empowers the Secured Party to make, constitute and appoint any officer or agent of the Secured Party as the Secured Party may select, in its sole discretion, as the Debtor's true and lawful attorney-in-fact, with the power to endorse the Debtor's name on all applications, documents, papers and instruments necessary for the Secured Party to use the Patents

and/or Trademarks, or to grant or issue any exclusive or non-exclusive license under the Patents and/or Trademarks to anyone else, or necessary for the Secured Party to assign, pledge, convey or otherwise transfer title to or dispose of the Patents and/or Trademarks to anyone else. The Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

14. No Waiver. No course of dealing between the Debtor and the Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of the Secured Party, any right, power or privilege under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

15. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

16. Amendments. This Agreement is subject to amendment or modification only by a writing signed by the Debtor and the Secured Party, except as provided in Paragraph 6 above.

17. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that the Debtor may not assign, transfer or delegate any of its rights, obligations or duties under this Agreement and any such assignment, transfer or delegation without the prior written consent of the Secured Party shall be null and void.

18. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Minnesota (without reference to conflict of law principles).
