**ASSIGNMENT OF UNITED STATES PATENTS
AND PATENT APPLICATIONS**

WHEREAS, Newfrey LLC, a limited liability company organized and existing under the laws of the State of Delaware, United States of America, having its principal office at 1207 Drummond Plaza, Newark, Delaware 19711 (hereinafter, the "Assignor") is the owner of the United States Patents and Patent Applications all of the foregoing being more specifically identified in Table 1 attached hereto; and

WHEREAS, Black & Decker Inc., a corporation organized and existing under the laws of the State of Delaware, United States of America, having its principal office at 1207 Drummond Plaza, Newark, Delaware 19711 (hereinafter, the "Assignee"), is acquiring the entire right, title and interest of the Assignor in and to said United States Patents and Patent Applications identified in Table 1 attached hereto.

NOW, THEREFORE, in consideration of the mutual covenants, agreements of the parties contained herein and other good and valuable consideration not herein specifically enumerated, the receipt of which is hereby acknowledged, effective September 30, 2011 the Assignor has distributed, assigned and transferred, and by these presents does hereby distribute, assign and transfer unto said Assignee, its successors, assigns or other legal representatives, Assignor's entire right, title and interest in and to the Patents and Patent Applications and any and all revivals, refilings, continuations, continuations-in-part, divisions and reissues thereto, its entire right, title and interest in and to, together with all claims of Assignor for profits and damages by reason of past infringement, if any, of said Patents and Patent Applications, with the right to sue for and collect the same of Assignee's own use and advantage and for the use and advantage of its successors, assigns or other legal representatives.

IN WITNESS WHEREOF, the Assignor has caused this instrument to be signed by a duly authorized officer and its company seal to be hereto affixed.
