## DESIGN APPLICATION ASSIGNMENT

WHEREAS, I, Martin Mueller, a citizen of the US; hereafter referred to as "Assignor(s)", are the inventors of the invention(s) disclosed ("Invention(s)") in a patent application entitled:

*Heat Spreader with Fins*

for which an application for a patent of the United States:

- ☐ was executed on \_\_\_\_\_;
- ☐ is identified by Reed Smith LLP Client/Matter No. \_\_\_\_\_; and/or
- ☒ was filed on October 17, 2011, Application No. 29/404,201; and/or
- ☐ we hereby authorize and request our attorney of Reed Smith LLP, to insert here in parentheses (Application No. \_\_\_\_\_ filed \_\_\_\_\_) the filing date and application number of the application when known.

(the "Application")

and WHEREAS, *Corsair Memory, Inc.*, having a place of business at 46221 Landing Parkway, Fremont, CA 94538, ("Assignee") desires to acquire the entire right, title, and interest in, to, and under the Application, the Invention(s) and any patent(s) that may be granted thereon;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which is hereby acknowledged, I/we the Assignor(s), have sold, assigned, transferred and set over, and do hereby sell, assign, transfer, and set over to Assignee, its successors, legal representatives, and assigns, our entire right, title, and interest in, to and under:

- (i) the Application;
- (ii) all Invention(s);
- (iii) all divisions, renewals, continuations or other applications claiming the priority of the Application;
- (iv) all patents that may be granted on the Application or such divisional, renewal, continuation or other applications;
- (v) all reissues and extensions of any such patent;

(vi) all applications for intellectual property or industrial property protection, including, without limitation, all applications for patents, utility models, inventors' certificates, petty patents, design patents or similar legal protection that may hereafter be filed for the Invention(s) in any country or countries including the United States, together with the right to file such applications;

(vii) the right to claim for any patent or application the priority rights of or derived from the Application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, any other international agreement, or the domestic laws of any country in which any such application is filed, as may be applicable;

(viii) all forms of intellectual property or industrial property protection, including, without limitation, patents, utility models, inventors' certificates, petty patents, design patents or similar legal protection that may be granted for the Invention(s) in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof; and

(ix) any and all causes of action and enforcement rights, including all rights to sue, counterclaim, and recover for any past, present and future infringement of, or liabilities for, all Patent(s) utility models, inventors' certificates, petty patents, design patents or similar legal protection to be obtained for the inventions;

AND I/WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any other country's official whose duty it is to issue patents or other evidence or forms of intellectual property or industrial property protection, to issue these to the Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this assignment.

AND I/WE HEREBY covenant and agree that I/we will assist in the making and prosecution of any applications for patent, that the Assignee may elect to make, covering any Invention(s); and in prosecution any interference or reexamination that may arise involving the Invention(s), or any application or patent hereby assigned; and that I/we will execute and deliver to the Assignee any and all additional papers that may be requested by the Assignee to carry out fully the terms of this assignment.

AND I/WE HEREBY covenant and agree that I/we have full right to convey the entire interest herein assigned and that I/we have not executed, and will not execute, any agreement that conflicts with this assignment.

AND I/WE HEREBY further covenant and agree that I/we will communicate to the Assignee, its successors, legal representatives, and assigns, any facts known to us relating to the Invention(s), Application, other applications and/or patents; testify in any legal proceeding; sign all lawful papers; execute all papers required for any divisional, continuing, reissue, and foreign applications; make all rightful oaths, and generally do everything possible to aid the Assignee, its
