ASSIGNMENT

WHEREAS, I, Javier Garcia-Martinez, have invented one or more inventions described in an application for Letters Patent of the United States entitled:

**MESOSTRUCTURED ZEOLITIC MATERIALS, AND METHODS OF
MAKING AND USING THE SAME**

and identified by

☐ Attorney Docket No. RIV-001PC, and/or executed by me on even date herewith and about to be filed in the United States Patent Receiving Office;

☒ Application Serial No. PCT/US2005/014256 filed in the United States Patent Receiving Office on April 25, 2005; and

WHEREAS, Massachusetts Institute of Technology, a corporation organized and existing under the laws of the Commonwealth of Massachusetts, and having a usual place of business at 5 Cambridge Center NE25-230, Cambridge, Massachusetts 02412 and Rive Technology, Inc. a corporation organized and existing under the laws of the State of Delaware, and having a usual place of business at One Canal Park, Fourth Floor, Cambridge, MA 02141 (hereinafter "JOINT ASSIGNEES") desire to acquire an interest therein, in accordance with agreements duly entered into with me;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said JOINT ASSIGNEES, their successors, assigns, and legal representatives, my entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the invention(s) described in said application, together with my entire right, title and interest in and to said application and such Letters Patent as may issue thereon or claim priority under United States law or international convention, including but not limited to non-provisionals, continuations, divisionals, reissues, reexaminations, extensions, and substitutions of said application or such Letters Patent, and any right, title and interest I may have in provisional applications to which said application claims priority; said invention(s), applications and Letters Patent to be held and enjoyed by said JOINT ASSIGNEES for their own use and behalf and for their successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made; I hereby convey all of my rights arising under or pursuant to any and all United States laws and international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, including but not limited to any cause(s) of action and damages accruing prior to this assignment. I hereby acknowledge that this assignment, being of my entire right, title and interest in and to said invention(s), carries with it the right in the JOINT ASSIGNEES to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of JOINT ASSIGNEES' selection and the right to procure the grant of all Letters Patent to JOINT ASSIGNEES in their own name as joint assignees of my entire right, title and interest therein;

AND, I hereby further agree for myself and my executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed

necessary to secure fully the aforesaid invention(s) to said JOINT ASSIGNEES, their successors, assigns, and legal representatives, but at its or their expense and charges, including the execution of non-provisional, substitution, continuation, divisional, reissue, reexamination, or corresponding foreign or international patent applications;

AND, I hereby further agree to provide statements or testimony in any interference or other proceeding in which said invention(s) or any application or patent directed thereto may be involved;

AND, I hereby authorize JOINT ASSIGNEES or their attorneys or agents to insert the correct serial number and filing date into this assignment, if none is indicated on the date of my execution of this assignment;

AND, I hereby authorize and request the Director of the United States Patent and Trademark Office to issue such Letters Patent as shall be granted upon said application, or applications based thereon, to said JOINT ASSIGNEES, their successors, assigns, or legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand-and affixed my seal on the date set forth below.
