ASSIGNMENT

WHEREAS, I/We, Leyang LI; Bo LIU; Yubo LIAN;, have made the invention described in the United States patent application entitled Vehicle, which I/we executed on the same date as, or on a date prior to, this Assignment;

WHEREAS, BYD COMPANY LIMITED, a corporation organized and existing under the laws of China having a place of business at No.3009, BYD Road, Pingshan, Shenzhen, Guangdong 518118, P.R.China hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the invention and the patent application identified above, and all patents which may be obtained for said invention, as set forth below;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by me/us from the Assignee is hereby acknowledged, I/we have sold, assigned and transferred, and by these presents do sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefore in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, reissues, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

I/We hereby covenant and agree, for both me/us and my/our legal representatives, that I/we will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that I/we will

execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

I/We hereby covenant and agree that I/we have full right to convey the entire interest herein assigned, and that I/we have not executed, or will not execute, any agreement in conflict herewith.

I/We hereby grant Song Zhu, Registration No. 44,420, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office.

IN TESTIMONY WHEREOF, I/we have executed this agreement.
