ASSIGNMENT
OF
U.S. INVENTION RIGHTS

WHEREAS, I, Jochen ZEHNER, made an invention entitled Telephone Holder, having reference nos. 11037SGS-US and 0508.0004, filed as an application for Letters Patent of the United States having Application Serial number 29/404, 651, filed on October 24, 2011 (I authorize the attorneys associated with USPTO Customer Number 97456 to enter the Serial number and filing date when such information becomes available);

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the premises and other valuable considerations, I, Jochen ZEHNER, do sell, assign, and transfer unto Steinwerk K stner GmbH, my entire right, title and interest within the United States of America in and to the above-identified invention, all applications for Letters Patent of the United States filed thereon, and all Letters Patent issuing therefrom, including any continuing applications and reissues or extensions thereof;

I hereby authorize and request any official of the United States Patent and Trademark Office, whose duty it is to issue patents, to issue any patent thereon to Steinwerk K stner GmbH, as assignee of my entire right, title and interest in and to the same, for the sole use for the full term or terms for which said patents and any continuing applications and reissues or extensions thereof are, or may be, granted as fully and entirely as the same would have been held by me had this Assignment not been made; and

I hereby agree to execute any and all applications for Letters Patent, and to furnish all data and documents and to execute any papers which may be necessary or convenient for the preparation, filing, or prosecution of such applications.
