A S S I G N M E N T

WHEREAS, I, Matthew Liam Roulston, of city of Townsville, Queensland Australia, have invented a certain invention, entitled BLOCKOUTS FOR CONCRETE MOLDS, described and claimed in U.S. Application No. 13/227,317, filed September 7, 2011, which claims priority to Australian Application No. AU2010904026, filed September 7, 2010 (both of which applications are collectively referred to herein as the "patent applications"); and

WHEREAS, Light-Weight Concrete Townsville Pty Ltd. (hereinafter Light-Weight Concrete), having a place of business at Unit 21, 1 The Strand, Townsville, Queensland 4810 Australia, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Matthew Liam Roulston, hereby sell, assign and transfer to Light-Weight Concrete, the full and exclusive right, title and interest in and to said invention, patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, applications and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Light-Weight Concrete, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Light-Weight Concrete, or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Light-Weight Concrete, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this

Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
