ASSIGNMENT OF PARTIAL INTEREST

For good and valuable consideration, the receipt of which is hereby acknowledged, I/We, the undersigned, Louis Giordano a natural person having a business address of 6185 Ridgebury Boulevard, Mayfield Village, OH 44124 is the owner of certain rights in an invention for which an application for United States letters patent has been filed on September 2, 2003 as U. S. Serial No. US6,612618B2 and June 24, 2008 as U. S. Serial No. US7,390,024B2.

Does hereby sell, assign and transfer to Denver Barry, a natural person having a place of business at 1592 Lander Road, Mayfield Heights, OH 44124 (Assignee), as successors, assigns, and legal representatives, a 6.25% interest in and to the rights held by Louis Giordano in said invention and said application and in and to any and all inventions described in said application for the United States and its territorial possessions and a 6.25% interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions; and a like interest in and to any and all continuations-in-part, continuations, division, substitutes, reissues, reexaminations and extensions thereof, and all other related applications for Letters Patent relating thereto which have been or shall be filed in the United States and its territorial possessions;

Agree that, when requested to carry out in good faith the interest and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, he will execute or have executed all rightful oaths, assignments, powers of attorney and other papers deemed necessary by Assignee, and testify in any legal or quasi-legal proceedings as deemed necessary by Assignee, but at Assignee's expense; communicate to said Assignee, its successors, assigns or legal representatives all facts known to him relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assign, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing Assignee's rights in said invention and all applications for patents on said invention; and

Covenant with said Assignee, his successors, assigns, or legal representatives that no assignment, grant mortgage, license or other agreement affecting the rights and property herein conveyed has been made to other by him, and that full right to convey the interest described above is possessed by Louis Giordano
