**ASSIGNMENT**

Whereas, I,

Hector Matthys, of: 4876 N. Illinois St., Peoria IL 61614;  
(Number and Street, or P.O. Box, City and State, ZIP Code)

have invented and own a certain invention entitled:

**LOCOMOTIVE ENGINE ENCLOSURE AND METHOD FOR SERVICING  
LOCOMOTIVE ENGINE**

for which invention I have executed an application for a U.S. patent, which was filed  
on 6/28/11 under U.S. Application No. ; and 13/170,430

Whereas, Progress Rail Services Corporation, of 1600 Progress Drive, Albertville,  
Alabama 35950, hereinafter referred to as Assignee, is desirous of acquiring the entire  
domestic and foreign right, title, and interest in and under the invention described in the  
patent application.

Now, therefore, for good and valuable considerations, the receipt and sufficiency of  
which are hereby acknowledged, I assign and transfer to the Assignee and the Assignee's  
legal representatives, successors and assigns the full and exclusive rights in and to the  
invention in the U.S. and every foreign country and the entire right, title, and interest in and  
to the patent application and other such applications (e.g., provisional applications, non-  
provisional applications, continuations, continuations-in-part, divisionals, reissues,  
reexaminations, National phase applications, including petty patent applications, and utility  
model applications) that may be filed in the United States and every foreign country on the  
invention, and the patents, extensions, or derivations thereof, both foreign and domestic, that  
may issue thereon, and I hereby authorize and request the Commissioner of Patents to issue  
U.S. patents to the above-mentioned Assignee agreeably with the terms of this assignment  
document.

I hereby authorize the Assignee to insert in this assignment document the filing date  
and application number of the application if the date and number are unavailable at the time  
this document is executed.

Upon said consideration, I convey to the Assignee the right to make application in its  
own behalf for protection of the invention in the U.S. and countries foreign to the U.S. and to  
claim under the Patent Cooperation Treaty, the International Convention and/or other  
international arrangement for any such application the date of the U.S. application (or any  
other application on the invention) to gain priority with respect to other applications.

In re Application of: Matthys  
Attorney Docket No. 708287

I hereby covenant and agree with the Assignee that I will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that I will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this assignment, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, reexamined, and National phase patents of the U.S. or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

In witness whereof, I have hereunder set our hands on the dates shown below.
