ASSIGNMENT

WHEREAS, I, the undersigned inventor(s), of residence as listed, having invented certain new and useful improvements in and to the invention entitled:

Gear Ring

Said application filed on April 14, 2010 as a provisional utility patent application and design patent application in the US, and a non-provisional utility patent application filed on April 14, 2011, and all subsequent patent applications resulting from both of these patent applications.

WHEREAS, KINEKT DESIGN LLC, a corporation organized and existing under the laws of the State of New Jersey, with its principal office at 184 South Livingston Avenue, Suite 9-239, Livingston, New Jersey 07039, is desirous of acquiring my entire right, title and interest in and to the said invention, and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration of one dollar, the receipt of which is hereby acknowledged, I hereby sell and assign to the said KINEKT DESIGN, LLC, its successors and assigns, my entire right, title and interest in and to the said invention and in to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and I hereby authorize and request the commissioner of Patents and Trademarks to issue all patents for said invention, or patent resulting therefrom, insofar as my interest is concerned, to the said KINEKT DESIGN, LLC, as assignee of my entire right, title and interest.

I also hereby sell and assign to KINEKT DESIGN, LLC, its successors and assigns, my foreign rights to the invention disclosed in said application, in all countries of the world, including the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

I hereby further agree that I will communicate to said KINEKT DESIGN, LLC, or to its successors, assigns, and legal representatives, any facts known to me respecting said invention, and at the expense of said assignee company, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said KINEKT DESIGN, LLC, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I hereunto set hand and seal this day and year;
