ASSIGNMENT OF INVENTION

UNIVERSAL

WHEREAS, I, Jeffrey KEILLOR, whose full post office address is 936 Giant Cedars Cres, Ottawa, Ontario, K1V 1R6, Canada, and Karine CARON, whose full post office address is 5767, rue Hudson, apt. #8, Montréal, Québec, H3S 2G4, Canada (hereinafter referred to as the "Assignors"), have invented and created an invention entitled "Fluorescent markers and use thereof for labelling specific protein targets" and described in United States provisional patent application number 61/365,389, filed on July 19th, 2010 and in United States patent application number 13/185,656, filed on July 19th, 2011;

WHEREAS, UNIVERSITÉ DE MONTRÉAL (hereinafter "UdeM"), whose full post office address is 2900 Edouard-Montpetit Blvd., Montreal, Quebec, Canada H3C 3A7 (hereinafter referred to as the "Assignee"), is desirous of acquiring the Assignors' entire right, title and interest in and to said invention and in and to any and all patents to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, we have and by these presents do hereby sell, assign and transfer unto said Assignees, its successors and assigns, the entire right, title and interest in and to said invention, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon said invention, and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention, in any country; and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said Assignees.

We further agree without any payment by said Assignees other than expenses incurred by the undersigned, to communicate to said Assignees, its representatives or agents, any facts relating to said invention, including evidence for interference purposes or for other proceedings, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver,

on request, all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon our heirs, legal representatives, administrators and assigns.

Les soussignés acceptent que la présente cession d'invention soit rédigée en anglais. The undersigned accept that the present Assignment of Invention be drafted in English.
