For valuable consideration, we,

| Full Name of Assignor | City | State (and Country if not USA) |
|-----------------------|------------|--------------------------------|
| Martin H. Teicher | Brookline | Massachusetts |
| Steven B. Lowen | Burlington | Massachusetts |

hereby assign to

| Full Name of Assignee | State of Incorporation | Business Address |
|---------------------------------|------------------------|--------------------------------------|
| The McLean Hospital Corporation | Massachusetts | 115 Mill Street Belmont, MA 02478 |

and to its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are subject of one or more applications for United States Patent signed by us, identified as:

| Title of Application | Filing Date | Serial Number |
|--|-------------------|---------------|
| METHODS FOR CONTINUOUS PERFORMANCE TESTING | February 20, 2003 | 10/370,809 |

and we authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known; this assignment includes said application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations, and like rights of exclusion, and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation, to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements, and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
