SCHEDULE C2

ASSIGNMENT OF PATENT RIGHTS

WHEREAS, Finjan Software, Ltd., an Israeli corporation (the "**Company**"), is either the sole and exclusive owner or has an ownership interest in the Patents/Applications in Exhibit A; and

WHEREAS, Finjan, Inc. ("**Finjan**"), doing business at 2025 Gateway Place, Suite 180, San Jose, California, 95110, is desirous of acquiring, and the Company is desirous of assigning to Finjan, all of the right, title, and interest of the Company into said Patents/Applications, and the inventions disclosed therein and covered thereby,

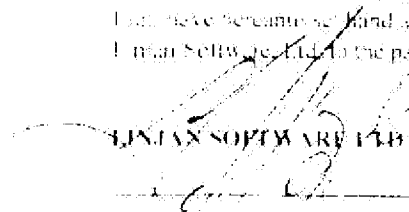

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Company and Finjan agree as follows:

1. The Company is the sole and exclusive owner of all right, title, and interest in and to the Patents and does hereby sell, assign, transfer and set over to Finjan, all of the Company's right, title and interest to the Patents, and to any and all inventions described in the Patents/Applications, in the United States, its territorial possessions and all foreign countries, and in any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for letters patent relating thereto that have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts, and treaties, the same to be held and enjoyed by Finjan for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which letters patent are or may be granted or reissued as fully and entirely to the same extent as the same would have been held and enjoyed by the Company, if this assignment and sale had not been made; together with all claims for damages or injunctive relief by reason of infringements of such letters patent resulting from the Patent, with the right to sue for past infringement, and collect the same for its own use and behalf and for the use and behalf of its successors, assigns or other legal representatives.
2. The Company hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all letters patents of the United States on such inventions or resulting from the Patent, or any continuations-in-part, continuations, divisions, substitutes, reissues or extensions thereof, to Finjan, as assignee of the Company's entire interest, and hereby covenants that the Company has full right to convey the interests herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

The Company agrees that upon request by Finjan, or its successors, assigns or other legal representatives that the Company or its successors, assigns or other legal representatives shall do all other legal acts reasonably necessary to carry out the intent of this assignment at the assignee's expense and request as well as provide such other material, information, or assistance as assignee or its successors, assigns or other legal representatives may consider necessary.
