PATENT ASSIGNMENT

WHEREAS, on even date herewith, Pancon Illinois LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware (hereinafter, "Buyer"), purchased certain assets from Illinois Tool Works Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware (hereinafter, "Seller"), pursuant to a Purchase Agreement (hereinafter, the "Agreement");

WHEREAS, Seller is the owner of the entire right title and interest in the inventions identified in the United States and foreign patents and patent applications listed in Schedule A attached hereto;

WHEREAS, said assets purchased by Buyer from Seller includes the patents and applications listed in Schedule A;

WHEREAS, pursuant to the Agreement, Seller agrees to assign its interest in said patents and applications over to Buyer;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other and good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller sells, assigns and transfers unto Buyer, its successors, assigns and legal representatives, the full and exclusive right, title and interest to the inventions as described in the patents and applications listed in Schedule A, in the United States and all foreign countries, together with all rights to claim priority, and in and to all Letters Patents or similar legal protection in any jurisdiction worldwide obtained or to be obtained for the inventions by application or any continuation, provisional, divisional, renewal, reissue, reexamination, extensions or substitution thereof, or any legal equivalent thereof, and all proceeds thereof, including, without limitation, any and all causes of action for past, present or future infringements thereof;

AND HEREBY AGREES upon request of Buyer, its successors, assigns or legal representatives, and without further remuneration, to execute any and all papers desired by Buyer, its successors, assigns or legal representatives, to fulfill the intent and purposes of this Assignment in any applicable jurisdiction;

AND HEREBY COVENANTS that no assignment, sale or encumbrance has been or will be made or entered into which would conflict with this Assignment. A facsimile or photocopied signature (which may be delivered by facsimile or other electronic means) shall be deemed to be the functional equivalent of an original for all purposes.

EXECUTED this 24th day of October, 2011.
