## ASSIGNMENT

This Assignment is made on the dates indicated below, by **Matthew Kweder**, residing at **7163 Newcastle Lane, Dublin, CA 94568**, **Bruno Boursier** residing at **8715 Putnam Court, Dublin CA 94568** Assignors, to **Hexcel Corporation** Assignee, having a place of business at **11711 Dublin Boulevard, Dublin, California 94568**.

**WHEREAS**, Assignors have co-invented a new and useful **HIGH PRESSURE MOLDING OF COMPOSITE PARTS** which application has been executed by them concurrently herewith and identified as **Hexcel No. A11-07US**;

**WHEREAS**, Assignors believe themselves to be the original inventors of the invention disclosed and claimed in said application for Letters Patent; and

**WHEREAS**, the parties desire to have a recordable instrument assigning the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

**NOW, THEREFORE**, in accordance with the obligations to assign the invention and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors sell, assign, and transfer to Assignee, the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claims for any such foreign applications of any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignors agrees that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed divisional, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as to the Assignee of the entire interest in said invention.
