ASSIGNMENT

WHEREAS, I, the undersigned,

Henryk KULAKOWSKI, a citizen of Poland, Ul. Ogródowa 12, 05-505 Jaroszwia Wola, Poland;

(hereinafter referred to as the "Assignor"), has made an invention entitled:

A METHOD FOR AUTHORIZATION OF A TRANSACTION WITH THE USE OF A MOBILE PHONE

described in a U.S. patent application No. _____, filed on _____, which is a National Phase of PCT Application No. PCT/PL2010/000034 filed on May 12, 2010, which claims priority of Application Nos. PL P388012 filed on May 12, 2009 and PL P-391203 filed on May 12, 2010 (the U.S. patent application, the PCT Application, the Application Nos. PL P388012 and PL P-391203 hereinafter being referred to as "Applications").

WHEREAS, MASSPAY Sp. z o.o. a Polish entity, having a place of business located at ul. Ogródowa 12, 05-505 Jaroszwia Wola, Poland, (which may also be referred to herein as the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, the Applications, and in and to any and all improvements and/or modifications to the aforesaid invention, and the Applications, and in and to any and all patent applications and/or Letters Patent of the United States or any other country related to the invention, the Applications, and/or related to any and all improvements and/or modifications to the aforesaid invention and Applications, including but not limited, to provisional applications, conversions to utility applications, continuations, continuations-in-part, continuing prosecution applications (CPAs), requests for continuing examination (RCEs), reissues, re-examinations, extensions, substitutes, renewals and divisions which may be filed or granted therefor, and all rights to claim priority in whole or in part on the basis of the Applications and any and all patent applications related to the invention;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I the Assignor agree to sell, assign, transfer and set over and do hereby sell, assign, transfer and set over unto said Assignee, its legal representatives, successors and assigns, the entire right, title and interest, in and to said invention, the Applications and in and to any and all improvements and/or modifications to the aforesaid invention and Applications, and in and to any and all patent applications and/or Letters Patent(s) of the United States or any other country related to said invention and Applications, and/or

related to any and all improvements and/or modifications to the aforesaid invention and Applications, including but not limited to provisional applications, conversions to utility applications, continuations, continuations-in-part, continuing prosecution applications (CPAs), requests for continuing examination (RCEs), reissues, re-examinations, extensions, substitutes, renewals and divisions which may be filed or granted therefor, and all rights to claim priority in whole or in part on the basis of the Applications and on the basis of any and all patent applications related to the invention, as fully and completely as the same would have been held by us had this assignment and sale not been made. (All of the foregoing patent applications and/or Letters Patent(s) related to the invention and Applications and/or related to any and all improvements and/or modifications to the aforesaid invention and Applications are hereinafter referred to as "Other Related Patent Applications").

I, the Assignor, hereby covenant for myself and my legal representatives, and agree with said Assignee, its successors and assigns, that I have the full right to convey the entire interest herein conveyed and that I have granted no right or license to make, use, sell or offer to sell said invention, Applications, any other applications or properties identified herein, including Other Related Patent Applications, to anyone except said Assignee, that prior to the execution of this deed, my right, title and interest in said invention, Applications, or any other applications or properties identified herein, including Other Related Patent Applications, had not been otherwise encumbered, and that I have not and will not execute any instrument in conflict with this Assignment.

This Assignment covers all countries of the world and the Assignee is hereby entitled to file applications in any country at its discretion and to abstain from seeking patent protection in any and all countries, if it so desires.

This Assignment also includes my right to claim priority under the Paris Convention or any other multilateral or bilateral treaties.

All of the said entire right, title and interest shall vest irrevocably in said Assignee.

I, the Assignor, hereby covenant and agree, on my own behalf and on behalf of my representatives, successors and assigns, to execute any additional assignments and other documents required in connection with the prosecution of the Applications or Other Related Patent Applications as well as to perform any additional acts necessary to enable the Assignee or its successors, legal representatives and assigns, to enjoy the full rights of this Assignment, including applying for a Letters Patent(s) for the invention in the United States of America or in any other country of the world, and assigning the Applications or any Other Related Patent Applications and any Letters Patent or patents issuing thereon to the Assignee or its successors, legal representatives and assigns.

I, the Assignor, hereby agree on my own behalf and on behalf of my successors and assigns, without further compensation, to promptly at any time, upon the request of the Assignee, its successors and assigns, fully cooperate with the Assignee with respect to all matters regarding this Assignment in the United States of America or any other country, including without limitation, communicate to the Assignee or its representatives any facts known to Assignor respecting the invention and the Applications, to execute any Other Related Patent Applications for any and all countries of the world, sign all lawful documents and make all rightful oaths and declarations relating to the invention and the Application, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the invention and the Applications, and to any Other Related Patent Applications for any and all countries of the world, in the Assignee, its successors, legal representatives or assigns, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the Assignee to obtain, maintain and enforce such Letters Patent or patents, identified in this assignment, in the United States of America or any country of the world when requested so to do by the Assignee.

I, the Assignor, hereby authorize and request my agents, Roberts Mlotkowski Safran & Cole P.C., 7918 Jones Branch Drive, Suite 500, McLean, Virginia 22102, or an authorized **MASSPAY Sp. z o.o.** employee to insert hereon any identification necessary or desirable for recordation of this document.

And I, the Assignor, request the Director of the United States Patent and Trademark Office and/or appropriate officials of any country to issue any and all Letters Patents or patents

which may be granted upon said Applications, said United States application(s) or upon any Other Related Patent Applications filed in any country of the world, or upon said improvements and/or modifications or any parts thereof, which are referred to herein, to MASSPAY Sp. z o.o., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said Letters Patents or patents and the invention covered thereby.
