### **“Slab Scintillator With Integrated Double-Sided Photoreceiver”**

Disclosed in the U.S. Provisional Application No. 61/216,572 filed May 18, 2009 and in the International Application No. PCT/US2010/001496 filed May 18, 2010, and wherein U.S. Utility Patent Application is being filed herewith.

WHEREAS, **SRI International**, a corporation of the state of California, having a principal place of business at 333 Ravenswood Avenue, Menlo Park, California 94025, USA (hereinafter referred to as ASSIGNEE), is desirous of acquiring the entire right, title and interest in, to and under said invention and in, to and under Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all foreign countries; and in and to any divisions, continuations, improvements, reissues or extensions that may be made or granted thereon;

WHEREAS, ASSIGNOR has previously agreed to assign to ASSIGNEE his entire right, title and interest in any intellectual property conceived, invented, authored, or reduced to practice by as a result of his affiliation with ASSIGNEE, and in any patent applications directed to such intellectual property, including the subject invention and subject application;

NOW, THEREFORE, BE IT KNOWN, that for good and valuable consideration, the receipt of all of which is hereby acknowledged, I, the said ASSIGNOR, have set over, unto the said ASSIGNEE, its successors and assigns, my entire right, title and interest throughout the world in and to the said invention, application and Letters Patent, when granted, and in and to any divisions, continuations, continuations in part, improvements, reissues or extensions that may be or granted on any of them;

TO HAVE AND TO HOLD the same to the full end of the term or terms for which said Letters Patent may be granted, as fully and completely as the same might be held by us had this sale and assignment not been made.

For the consideration aforesaid, I hereby covenant and agree to and with the said ASSIGNEE, their successors and assigns, that whenever their counsel or representative, or the counsel or representative of their successors or assigns, shall advise that an amendment to, or a division of, or any other proceedings, is lawful and desirable, or that a reissue or continuation or extension of said Letters Patent is lawful, and desirable, ASSIGNOR will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or continuation or extension of the same, and will do all acts necessary or required to secure to the said ASSIGNEE, its successors and assigns, the title to and full benefit of all rights hereby assigned, without charge to said ASSIGNEE or its successors or assigns, but at its or their expense;

AND, the Commissioner of Patents is requested to issue the said Letters Patent, when granted, in accordance with this sale and assignment.

For the consideration aforesaid, ASSIGNOR has sold, transferred and set over and by these presents do sell, assign, transfer and set over unto the said ASSIGNEE, its successors and assigns, or the nominees of any of them, the entire right, title and interest in any to any and all Letters Patent for said invention which may be granted in countries foreign to the United States, and in and to any applications for Letters Patent which may be filed for the said invention in countries foreign to the United States, and in and to the invention described in said applications; and ASSIGNOR hereby authorizes and empowers said ASSIGNEE and its successors, assigns or nominees, to apply for Letters Patent or other form of protection on said invention in its own name or in the name of its successors, assigns or nominees, in any or all countries where it may desire to file such applications, and where said application may be filed by another than the inventor; and ASSIGNOR hereby covenants and agrees to sign all papers and drawings, take all rightful oaths, execute all rightful affidavits, and do all acts necessary or required to be done for the procurement and maintenance of Letters Patent or other form of protection for said invention in countries foreign to the United States, and for further investing or confirming the right and title thereto in the ASSIGNEE, their successors, assigns or nominees, without charge to said ASSIGNEE, their successors, assigns or nominees, but at their expense.

I declare under penalty of perjury under the laws of the United States of America that I have signed this document as my own free act and that all of the foregoing is true and correct.
