## **ASSIGNMENT**

### ***To Whom It May Concern:***

For valuable consideration, including salary and employee benefits, be it known that I, **Darrin I. Schmuckle of 1883 Day Star Court, Vista, CA 92084**, have sold, assigned and transferred and by those presents do sell, assign, transfer and set over unto **Hunter Industries, Inc.**, a Delaware corporation, with an office at 1940 Diamond Street, San Marcos, CA 92078 United States, its successors, legal representatives, or assigns, my whole right, title and interest in and to a certain invention relating to a **Pivotable Face Pack for Irrigation Controller** devised by me and the application for United States Patent therefor executed by me and filed in the United States Patent and Trademark Office on November 10, 2011, Serial No. 29/406,154 (applicant's attorney is authorized to enter filing date and serial number after execution of this document) and all original and reissue patents granted thereof, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and all foreign rights to said invention, including the right of priority, and covenant that I have full right to do so, and agree that I will communicate to said corporation or its representatives all facts known to me respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, make all rightful oaths and generally do everything possible to aid said corporation, its successors, assigns, and nominees, to obtain and enforce proper patent protection for said invention in all countries.

The Commissioner of Patents and Trademarks is requested to issue the Letters Patent which may be granted for said invention or any part thereof unto the said corporation in keeping with this Assignment.
