ASSIGNMENT

WHEREAS, I, Roman KÖNIG of Weinburg, Austria, have invented certain improvements in a METHOD FOR PRODUCING EMBOSSED BLANKS, for which I have executed a Declaration for Patent Application for a U.S. national phase patent application, for which International Application No. PCT/AT2010/000198 was filed June 7, 2010, and which claims priority to Austrian Patent Application No. A 1017/2009, filed June 30, 2009, on the date I executed this Assignment as hereinafter set forth; and

WHEREAS, CONSTANTIA TEICH GMBH, a company organized under the laws of Austria, having its principal place of business in Weinburg, Austria, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I, Roman KÖNIG, have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to CONSTANTIA TEICH GMBH, its successors and assigns, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Letters Patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to CONSTANTIA TEICH GMBH, as the assignee of my entire right, title, and interest in and to the same, for the sole use of CONSTANTIA TEICH GMBH, and its successors and assigns.

Further, I hereby covenant and agree to and with CONSTANTIA TEICH GMBH, and its successors and assigns, at the time of execution and delivery of these presents, that I am the sole and lawful owner of the entire right, title, and interest in and to the invention and the above-identified U.S. patent application, and that the same are unencumbered, and that I have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, I agree that I will communicate to CONSTANTIA TEICH GMBH, or its representatives, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to CONSTANTIA TEICH GMBH, make all rightful oaths, and generally do everything possible to aid CONSTANTIA TEICH GMBH, and its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 9th day of November, 2011.

Roman KÖNIG
