EXHIBIT B
ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, **Midwest Industrial Door, Inc.**, established under the Laws of the United States, having a place of business at 112 Northeast Drive, Loveland, Ohio 45140 (hereinafter "Assignor") hereby assigns to **Rite-Hite Holding Corporation**, a Wisconsin Corporation, having a place of business at 8900 North Arbon Drive, Milwaukee, Wisconsin 53223-2451, (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the invention or improvements disclosed in the patents and/or applications for Letters Patent identified in the attached Schedule A (which may be a Patent Cooperation Treaty international application designating the United States), and in said patents, patent applications and any and all other patent applications, United States, international and foreign, which the undersigned assignor(s) or the Assignee may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof. This assignment includes all rights associated with said application including, without limitation, all patent right(s) in any and all countries and all right(s) to claim priority to and/or from said application in any and all countries. No rights whatsoever are reserved to the undersigned assignor(s) but instead all rights are hereby transferred to the Assignee. This assignment is governed by the Law of the State of Illinois, United States of America.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.
