**INVENTION/PATENT APPLICATION ASSIGNMENT
FROM INVENTOR(S) TO COMPANY**

WHEREAS I Carmine DiChiara of 23 Gregory Lane, Warren, NJ 07059, have made a certain new and useful invention as set forth in an application for United States Letters /Patent, entitled: **EYEWEAR FRAMES WITH MAGNETIC LENS ATTACHMENTS**, executed by us on the date of execution of this document, as shown below, and filed concurrently herewith;

OR

For which an application for United States Letters Patent was filed on **09/30/2011**, and identified by United States Serial No. **13/250,053**;

AND WHEREAS, **SWITCH VISION, LLC** a corporation of **New Jersey** and having an address of 103 Fairfield Road, Fairfield, NJ 07004, U.S.A. hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged: I do hereby sell, assign, transfer and set over unto said assignee, its legal representatives, successors, and assigns the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including any continuations, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries that may be issued for said invention, including all rights to enforce the same for all past and future infringement and the right to recover any and all monetary damages or other relief granted therefor;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these present, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or causes of action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States that may be issued for said invention to said assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
