**ASSIGNMENT**

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to:

**IDLOS B.V.**  
of THE NETHERLANDS

**FABRIZIO LUPICA**  
of ITALY

**DOMENICO GUCCIARDI**  
of ITALY

its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in U.S. Application Serial Number 13/236,850 filed September 20, 2011 (Attorney Docket No. 05032-00241) entitled:

**Brake Pad Assembly and Method for Collecting Brake Particles**

and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, including all continuations, continuations-in-part, and divisions on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assign to said assignee the priority right provided by the International Convention.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the filing date and serial number of said application when officially known, if not already present.

The undersigned warrants to be the owner of the entire right, title and interest in said invention or improvements herein assigned and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and
