PATENT SECURITY AGREEMENT

PATENT SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, "Agreement"), dated December 2, 2011, is made by Link America, Inc., a New Jersey corporation located at 505 Park Avenue, 14th Floor, New York, NY 10022 ("Grantor") in favor of New Health Capital Partners Management LP., a Delaware limited partnership, located at 1350 Avenue of the Americas, Suite 905, New York, NY 10019, as Administrative Agent for certain lenders (in such capacity, together with any permitted successors and assigns, "Secured Party"). Capitalized terms used in this Agreement and not defined herein have the meanings set forth for such terms in the Security Agreement (as hereinafter defined).

WHEREAS, Grantor is the patentee or applicant for the utility patents, design patents, and patent applications listed on the annexed Schedule 1A, which patents are issued or applied for in the United States Patent and Trademark Office (the "Patents");

WHEREAS, the Grantor has entered into a Security Agreement, dated as of the date hereof, among Grantor and the other grantors signatory thereto, and Secured Party (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, as collateral security for all of the Obligations, Grantor has hypothecated and granted to Secured Party, for the benefit of the Administrative Agent and the Lenders (as such terms are defined in the Security Agreement) a continuing security interest in the Patents and the applications and registrations thereof, and all proceeds thereof (the "Collateral");

NOW, THEREFORE, in consideration of the premises and agreements made herein and in the Security Agreement, the Parties agree as follows:

As collateral security for all of the Obligations, Grantor hereby grants to the Secured Party, for the benefit of the Administrative Agent and the Lenders, a continuing security interest in the Collateral, and Secured Party hereby accepts such security interest from Grantor.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

In the event of an irreconcilable conflict between this Agreement and the Security Agreement, the Security Agreement shall govern.

This Agreement shall be governed by, and construed in accordance with, the law of the state of New York applicable to contracts made and to be performed in the state of New York, except as required by mandatory provisions of law and except to the extent that the perfection and the effect of perfection or non-perfection of the security interest created hereby, or remedies hereunder, in respect of any particular Collateral are governed by the law of a jurisdiction other than the State of New York.

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its officer thereunto duly authorized as of the date above first written.

GRANTOR:

LINK AMERICA, INC.

By: 

Name: Anthony G. Viscogliosi
