Prerecorded Audio And/Or Video Information

### DECLARATION

#### Assignment Improperly Filed and Recorded by Another Person (M.P.E.P. Section 323.01(c))

Avid Technology, Inc. (Avid), a corporation having its principal offices at 75 Network Drive, Burlington, Massachusetts 01803, declares that it has been and continues to be the assignee of the entire, right, title and interest in the patent identified above by virtue of an assignment from the inventors.

The assignment was recorded under U.S. Patent Application Ser. No. 07/866,570, filed on April 10, 1992, now abandoned, in the Patent and Trademark Office on July 20, 1992, at Reel 6192, Frame 0083, which is the parent application of the patent referenced above. A copy of the assignment is submitted with this declaration.

A copy of the assignment was subsequently recorded in U.S. Patent No. 5,946,445 in the Patent and Trademark Office on May 26, 2011, at Reel 026346, Frame 0595.

This Declaration under M.P.E.P. 323.01(c) is in support of correcting an improperly filed and recorded assignment of the '445 patent in the name of Sygnet Wireless Inc. and its wholly owned subsidiary Sygnet Communications, Inc. to Sycord Limited Partnership. The improper recordation is dated March 31, 2003, at Reel: 013887, Frame: 0859.

Avid has made numerous but unsuccessful efforts to have the party who recorded the erroneous assignment correct the error, including contacting the offices of Wood, Herron & Evans, correspondent for Sycord Limited Partnership ("Sycord"), and Vista IP Law Group (referred by Wood, Herron, & Evans).

Avid respectfully requests that the Patent and Trademark Office record this Declaration to correct the improperly filed and recorded assignment.

The undersigned is empowered to sign this declaration on behalf of the Assignee.
