EXECUTION VERSION

INTELLECTUAL PROPERTY RIGHTS TRANSFER DEED

THE UNDERSIGNED:

- (1) DSM IP ASSETS B.V., a private limited liability company, incorporated under the laws of The Netherlands, having its official seat in Heerlen, the Netherlands;
- (2) DSM COPOLYMER INC., a corporation organized and existing under and by virtue of the laws of the state of Delaware, United States of America, and having a place of business at 5745 Essen Lane, Suite 100, Baton Rouge, LA 70810, United States;
- (3) ROYAL DSM N.V., a public limited liability company incorporated under the laws of The Netherlands, having its registered seat in Heerlen, the Netherlands;

(Parties 1 through 3 hereinafter each a **Transferor** and jointly the **Transferors**),

and

- (4) LANXESS BUNA GMBH, a limited liability company incorporated under the laws of Germany, having its official seat at Paul-Baumann-Str. 1, 45772 Marl, Deutschland / Germany, (the **Transferee**).

WHEREAS:

- (A) Pursuant to the agreement for the sale and purchase of the Business dated 1 March 2011 between Royal DSM N.V. and Lanxess Buna GmbH (the **Agreement**), Royal DSM N.V. has agreed to procure the transfer of the legal title to the Owned IP (as defined in the **Agreement**) including the Owned IP set out in Part 1, Part 2 and Part 3 of Schedule 13 to the **Agreement**.
- (B) The Owned IP is currently legally owned by the **Transferors**.

THEREFORE THE PARTIES HEREBY AGREE AS FOLLOWS:

1. Capitalised terms used but not defined herein are defined in the **Agreement**, provided that for the purpose of this deed "Owned IP" does not include any Owned IP that is already owned by the Relevant Entities on Completion. For the avoidance of doubt, Owned IP includes Intellectual Property Rights that are not owned in full by the **Transferors** (e.g. jointly owned patents) and in such cases rights, title and interest will be transferred to the extent the same is owned by the **Transferors**.
2. The **Transferors** hereby transfer, pursuant to the terms and conditions of the sale as set out in the **Agreement**, to the **Transferee**, legal title to the Owned IP including, without limitation, the right to take proceedings and recover damages and obtain all other remedies in respect of past infringements thereof to hold unto **Transferee** absolutely with *in rem* effect as of Completion in order for the **Transferee** to become the owner of the legal title to the Owned IP. In the event that such transfer is not (fully) effected or enforceable by this deed, or the transfer may not be registered in the relevant registers, the parties hereto undertake to procure the execution of any deeds and documents that may be necessary to vest legal title to the Owned IP in the **Transferee** and for the **Transferee** to perform the registration in the relevant registers. The **Transferors** will provide any and all documents that may reasonably be required for the purposes described in this clause 2 including in particular documents necessary to demonstrate the chain of legal title.
3. The **Transferee** will effect the registration of the transfer of the legal title to the Owned IP in accordance with clause 16.1 of the **Agreement**. Clause 16.1 of the **Agreement** also applies in relation to the registration costs.

EXECUTION VERSION

4. Further undertakings related to the transfer of the Owned IP:
- 4.1 **Delivery of Excel lists:** Within one (1) month after Completion, each of the Transferors shall deliver to the Transferee (or any other party designated by the Purchaser in its sole discretion) Excel lists of the Owned IP that will be in accordance with the requirements of the Transferee, and which will allow easy implementation of the Owned IP in the databases of Transferee. The Transferee shall provide the Transferors with such database requirements in due time.
- 4.2 **Delivery of Official Files:** Within two (2) months after Completion, each of the Transferors shall deliver to the Transferee (or any other party designated by the Purchaser in its sole discretion) in respect of all Owned IP a copy of all official files, original certificates, all documents and other records and a download from the Transferors' patent and trademark database(s), in each case to the extent they relate to the Owned IP, which are in the possession or control of the Transferors and are readily identifiable at Completion (the date of such delivery being the "File Delivery Date").
- 4.3 **Letter to Agents and Representatives:** Within two (2) months after Completion, each of the Transferors shall send to all its agents and representatives letters substantially in the form as attached hereto as Annex A and deliver a copy of such letters to the Transferee (or any other party designated by the Purchaser in its sole discretion) (the date of such delivery being the "Letter Delivery Date").
- 4.4 **Preparation and Filing of Formal Assignment Documents:** The Transferee shall prepare the formal assignment documents necessary for the assignment and recordal of the assignment of the legal title of the Owned IP from the Transferors to the Transferee before the respective authorities and shall deliver these properly prepared formal assignment documents for all Owned IP to the Transferors. Within one (1) month after delivery of the properly prepared formal assignment documents to the Transferors, each of the Transferors shall execute and deliver the executed formal assignment documents to the Transferee free of charge. The parties hereto may agree on a Power of Attorney to be granted by the Transferors to the Transferee or any person appointed by the Transferee for performing the obligations of the Transferors under this clause 4.4.
- 4.5 **Payment of Maintenance Fees:** Between Completion and the last day 24:00 (CET) of the sixth (6th) month after Completion, each of the Transferors will pay all maintenance and filing (if any) fees due for the Owned IP on behalf of and on the account of the Transferee. The Transferee will reimburse the Transferors for such fees and for any other reasonably incurred related costs and fees paid in connection with the Owned IP on behalf of the Transferee within the six (6) months time period after Completion without undue delay after issuance of a respective invoice by the relevant Transferor. The Transferors are under no obligation to pay the respective fees for the Owned IP due after the first day 0:00 (CET) following the sixth (6th) month after Completion.
- 4.6 **Answering to official communications with official due dates:** The Transferors will remain responsible for responding to official communications and office actions relating to Owned IP that include a deadline to respond (e.g. issued by a patent or trademark office), which are received before the File Delivery Date and which contain a deadline to respond that expires within the first (1st) month after the File Delivery Date.
- 4.7 **Notification of Relevant Matters:** On Completion, each of the Transferors shall provide to the Transferee details of all official deadlines relating to the Owned IP and scheduled to pass within twelve (12) months of Completion. In addition, should a Transferor receive any correspondence relating to any of the Owned IP at any time within five (5) years after Completion, such Transferor shall promptly forward such correspondence to the Transferee or its nominated agent (including, if such correspondence is received prior to the File Delivery Date, sending all official files and documents and other records relating to the relevant Owned IP that are in the possession or control of such Transferor and that are readily identifiable at Completion).

EXECUTION VERSION

- 4.8 **Costs:** Subject to clause 3 above, all activities by the Transferors in preparing the hand-over of the official files and further documents and records referred to herein above shall be performed at no charge to the Transferee.
- 4.9 **Revival of certain patent and trademark cases:** At the request of the Transferee, the Transferors will, where possible, revive the cases specified below by paying the respective fees necessary for such revival and by performing any other action required in this regard:
- (a) Case No. 21794-BP-EPT;
 - (b) Case No. 25725, CN,, KR, US;
 - (c) Case No. 25932, CN, , KR, US; and
 - (d) Case in respect of trademark "Keltan with arrow" in Venezuela.

The Transferee will reimburse the Transferors for such fees and for any other reasonably incurred related costs and fees paid in connection with the revival of these cases.

5. The parties hereto waive their rights, if any, to annul, rescind or dissolve this deed, in whole or in part (*gehele danwel partiële ontbinding en vernietiging*), except in the event of fraud (*bedrog*). Furthermore, the parties waive their rights, if any, to in whole or in part seek the alteration of this deed pursuant to article 6:230 of the Dutch Civil Code.
6. This deed shall be governed by and construed in accordance with the laws of The Netherlands.
7. Any dispute arising out of or in connection with this deed (including questions in respect of the authority of the arbitrators) will be finally settled by arbitration in accordance with the rules of The Netherlands Arbitration Institute (*Nederlands Arbitrage Instituut*). The arbitral tribunal will be composed of three arbitrators appointed in accordance with those rules. The place of the arbitration will be Amsterdam, The Netherlands. The language of the arbitration will be English. The arbitrators will decide according to the rules of law. The arbitral award will not be made public.
8. Any claim or action that a party hereto might have under this deed, is subject to the provisions of the Agreement, in particular the provisions in Schedule 9.
