ASSIGNMENT

WHEREAS We, Douglas A. Burkett, a citizen of the United States of America and a resident of Eaton, Ohio, U.S.A., and Edmond L. Phillipps, Jr. a citizen of the United States of America and a resident of Cincinnati, Ohio, U.S.A., have invented certain new and useful improvements in and to the subject matter of:

SYSTEMS AND METHODS OF IMPLEMENTING AN ELECTRODE FOR COOKING MEDIUM QUALITY MEASUREMENT

which are described in applications for United States Letters Patent, filed on August 22, 2010, and assigned U.S. Provisional Patent Application No. 61/375,851, and filed on August 22, 2011, and assigned U.S. Patent Application No. 13/215,158; and in an international patent application filed on August 22, 2011, and assigned International Patent Application No. PCT/US2011/048701;

AND, WHEREAS, Henny Penny Corporation, a corporation organized under the laws of the State of Ohio, having a place of business at 1219 U.S. Rt. 35 West, P.O. Box 60, Eaton, Ohio 45320 (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign, and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements; said United States and international patent applications; any other United States applications, including provisional, divisional, renewal, substitute, continuation, and reissue applications or requests for reexamination, based in whole or in part on said United States applications or in whole or in part on said improvements; any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States or international applications or in whole or in part on said improvements, and in and to any and all Letters Patent, including extensions and Certificates of Reexamination thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

AND we hereby agree for each of ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, substitute, divisional, renewal, or reissue application, and requests for reexamination, or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be desirable or necessary to secure to ASSIGNEE its interest and title in and to said improvements or any parts thereof, and in and to said several patent application(s) or patent(s) or any of them;

AND we hereby covenant for each of ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to make, use or sell said improvements, to anyone except said ASSIGNEE, that prior to the
