ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, we, **Oliver Egeler** and **Steven Woodside**, whose full post office addresses are 1174 Premier Street, North Vancouver, British Columbia, V7J 2H3, Canada and 1833 Westmount Road N.W., Calgary, Alberta, T2N 3M6, Canada, respectively, hereby confirm that we have sold and assigned, and do hereby sell and assign to **STEMCELL Technologies Inc.**, whose full post office address is 570 West Seventh Avenue, Suite 400, Vancouver, British Columbia, V5Z 1B3, Canada, as assignee, all our right, title and interest for the United States of America, and all other countries in and to an invention entitled:

CELL CULTURE DEVICE

as described and illustrated in the **United States Patent Application Number 13/293,714** filed **November 10, 2011**, and all our right, title and interest in and to said patent application and in and to any divisions, continuations, extensions of, and supplementary disclosures thereto, and in and to any patents that may be granted for said invention and in and to any additions or modifications to said invention.

We agree that we will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said inventions and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention or for additions and modifications thereto, filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue said Letters Patent to said **STEMCELL Technologies Inc.**, the assignee of the entire right, title and interest in and to the same, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely

as the same would have been held by us had this assignment and sale not been made.

EXECUTED, at VANCOUVER, CANADA, this 2nd day of
