ASSIGNMENT ON BEHALF OF RICHARD C. WILSON

**Richard C. Wilson** ("Inventor") was a co-inventor of a certain invention for which a U.S. Patent Application has been

- executed concurrently herewith
- executed on
- filed September 23, 2011, and assigned Application Serial No. 13/241,949

and is entitled

**FOAM INSULATION BOARD WITH EDGE SEALER**

I, the undersigned, Bruce Wilson, hereby state that I am the legal representative ("Legal Representative") for the Estate of Richard C. Wilson.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and on behalf of Inventor, Legal Representative hereby sells, assigns and transfers to **Progressive Foam Technologies, Inc.**, ("Assignee"), a corporation of the State of Ohio, having a place of business at **6753 Chestnut Ridge Road, Beach City, Ohio 44608**, its successors, assigns, nominees or other legal representatives, the full, exclusive, entire worldwide rights, title and interest in, to, and under said invention as described and claimed in said application, including any provisional application(s) from which it claims priority, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, nominees, or other legal representatives, to the end of the term or terms for which said Letters Patent are or may be granted, reissued, or extended, as fully and entirely as the same would have been held and enjoyed by Inventor if this assignment and sale had not been made; all of the entire rights, title and interest in and to said invention and said application, and all original and reissued patents granted for said invention, and all divisions, reissues, continuations-in-part, and continuations of said application, including the subject matter of any and all claims which may be obtained in every patent, and the right, where such right can be legally exercised, in Assignee's own name to apply for and obtain patents in countries foreign to the United States, including the full right to claim for any such application the benefits of the International Convention and the Patent Cooperation Treaty as fully and entirely as Inventor could have done if the foreign application had been filed in the names of the Inventor, and the entire interest in any Letters Patent which may be granted on any such application in such foreign countries.

On behalf of Inventor, Legal Representative authorizes and requests the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty is to issue patents on applications as aforesaid, to issue the said Letters Patent to Assignee, its successors, assigns, nominees, or other legal representatives, as Assignee and owner of the said entire rights.

On behalf of Inventor, Legal Representative covenants that Inventor has the full right to convey the said entire interest herein assigned and that Inventor has not executed and will not execute any agreement in conflict herewith, and Inventor will communicate to Assignee, its successors, assigns, nominees, or other legal representatives all facts known to Inventor respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute and deliver all divisional, continuing, and reissue applications, make all rightful oaths or declarations, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, Inventor will, upon request, sign and deliver all lawful papers requisite for the filing of such disclaimer.

On behalf of Inventor and in my own right, Legal Representative further covenants and agrees that Legal Representative will, at any time upon request, do everything possible to aid Assignee, its successors, assigns, nominees, or other legal representatives, either in the name of Inventor or Assignee, to apply for, obtain, and enforce proper patent protection for said invention in all countries, according to the International Convention and the Patent Cooperation Treaty, and all the laws and treaties in force, all without further consideration but at the expense of Assignee, its successors, assigns, nominees, or other legal representatives.

Signed at the City of Farmington Hills State of MI
