2011-1034 (P40892)

### **ASSIGNMENT**

WHEREAS, **Ted STINE**, a citizen of the United States, whose post office address is 7650 Laurel Oak Drive, Suwanee, GA, 30024 United States, and **Joseph Anthony SPEENEY**, a citizen of the United States, whose post office address is 90 Constitution Way, Basking Ridge, NJ, 07920 United States, hereinafter called the "Assignors", have made the invention described in the United States patent application entitled "**AUTOMATINT INTERACTIVE TRANSACTIONS**", Attorney Docket No. 2011-1034 (P40892) for a full description of which reference is here made to an application for Letters Patent of the United States filed herewith; and

WHEREAS, **AT&T Mobility II LLC**, a corporation organized and existing under the laws of the State of Georgia, having a place of business at 1025 Lenox Park Blvd, NE, Atlanta, GA 30319, United States, the first Assignee, desires to acquire the entire right, title and interest of **Ted STINE** for the United States of America and elsewhere throughout the world in and to said invention and the patent application identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof.

**AT&T Intellectual Property I, L.P.**, a partnership organized and existing under the laws of the State of Georgia, having a place of business at 675 W. Peachtree Street, Suite 4000 Atlanta, GA 30375, United States, the second Assignee, desires to acquire the entire right, title and interest of **Joseph Anthony SPEENEY** for the United States of America and elsewhere throughout the world in and to said invention and the patent application identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof.

NOW, THEREFORE in consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which by the Assignors from the Assignees is hereby acknowledged, the Assignors have sold, assigned and transferred, or by these presents do sell, assign and transfer to the Assignees, the entire right, title and interest for the United States in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefore in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignees, their successors and assigns, to the full end of the term and terms for all such patents.

AND said Assignors hereby covenant and agree, for the Assignors and the Assignors' legal representatives, that the Assignors will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignees may elect to make covering the invention
