ASSIGNMENT

WHEREAS, Steven W. Martin of 6861 North U.S. Hwy 27, Ridgeville, IN 47380, hereinafter referred to as Assignor, has made new and useful inventions in FREE FLOWING BOTTLE, as described in drawings, notes, and recorded media (collectively, "Documents") and as described at least in part in United States provisional patent application Serial No. 61/122,128, filed December 12, 2008, entitled BOTTLE 1; United States design patent application Serial No. 29/351,933, filed December 14, 2009, entitled BOTTLE; and United State patent application Serial No. 12/637,445, filed December 14, 2009, (hereinafter "Inventions");

WHEREAS, Saint-Gobain Containers, Inc, hereinafter referred to as Assignee, a corporation of the State of Indiana, having a principal place of business at 1509 South Macedonia Avenue, Muncie, Indiana 47302, hereinafter referred to as Assignee, desires to acquire and has acquired all of the entire right, title, and interest in, to and under said Documents and said Inventions and in any Letters Patent, United States and foreign, which may be obtained therefore and thereon;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of good, valuable and sufficient consideration to Assignor in hand paid, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto Assignee, all of the entire right, title, and interest in, to and under said Inventions, and in, to and under said applications for United States Letters Patent, and any and all other applications thereon and arising therefrom, including any and all applications claiming the benefit thereof, and any and all divisions and continuations thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof, and any and all improvements to said Inventions conceived by Assignor, alone or with others, while working for, or under contract to, Assignee, whether or not such improvements are included in any Letters Patent or applications for Letters Patents.

Assignor understands and agrees that *Bingham McHale LLP* does not personally represent Assignor or Assignor's legal interests, but instead represent the interests of Assignee. Assignor acknowledges its right to retain its own independent legal counsel.

Assignor acknowledges that said Inventions, including any improvements thereto, whether disclosed in said Documents or not, are the property of Assignee and any information related thereto, including said Documents and the information disclosed in said Documents, is to be maintained in confidence and is not to be disclosed by Assignor to any third party without the express written consent of Assignee. This obligation of confidentiality survives the termination of employment or any contract for any services between Assignor and Assignee.

Assignor agrees to assign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said Inventions in this and all foreign countries for the use of Assignee, said agreement surviving Assignors employment by, or contract with, Assignee.

WITNESS Assignor's hand this 5th day of April, 2010.
