ASSIGNMENT AND AGREEMENT

For value received, we, Andrew Alexander Grieve, of Waterloo, Ontario, Canada, and Mohammad Hossain Sheikh Attar, of Richmond Hill, Ontario, Canada, do hereby sell, assign and transfer to Google Inc., a corporation of the State of Delaware, having an office at 1600 Amphitheatre Parkway, Mountain View, CA 94043 U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Systems and Methods for Collaborative Document Editing** described in an application for Letters Patent of the United States, Application Serial No. 13/297,762 filed November 16, 2011, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also hereby sell, assign and transfer to Google Inc., and its successors, assigns and legal representatives, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Google Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Google Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Google Inc. in the United States and in all countries foreign to the United States, or to such nominees as Google Inc. may designate.

We agree that, when requested, we shall, without charge to Google Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
