ASSIGNMENT

Attorney Docket No. : D33-233-04-US

WHEREAS, I Daniel Petri, Georg Kahout, Martin Mayerhofer and Georg Nader, are the inventors of an invention entitled In-Application Commerce System and Method with Fraud Detection that is the subject matter of: (check all that apply)

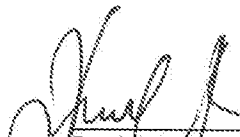

- ☒ a provisional application for Letters Patent which is identifiable in the United States Patent and Trademark Office by Application No. 61/417,063 filed on November 24, 2010;
- ☒ an application for Letters Patent which is identifiable in the United States Patent and Trademark Office by Application No. 13/304,191 filed on November 23, 2011 and/or executed on even date herewith; and
- ☐ an international application for Letters Patent filed pursuant to the Patent Cooperation Treaty which is identifiable in the United States Receiving Office by Application No. _____, filed on _____; and/or executed on even date herewith.

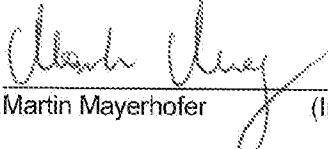

WHEREAS, Digital River, Inc., a corporation organized and existing under the laws of the State of Delaware and the United States of America, and having offices at 10380 Bren Road West, Minnetonka, MN 55343, U.S.A. ("Assignee") are desirous of acquiring and jointly owning the entire right, title and interest in and to the invention, the applications, and any and all Letters Patent or similar foreign or domestic legal protection.

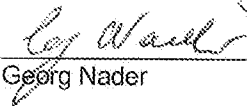

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I/we transfer a jointly held ownership interest to Assignee, its successors and assigns, my/our entire right, title and interest in and to the invention, the above-identified applications, all provisional applications from which any of the above-identified applications claim priority, corresponding domestic and foreign applications, any continuation, division, renewal, or substitute for the applications, all Letters Patent, any reissue, re-examination, or similar legal protection issuing related to the Letters Patent, and all rights and benefits under any applicable treaty or convention; and I/we authorize the Director of the United States Patent and Trademark Office or foreign equivalent to issue the Letters Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date(s) and application numbers when ascertained. I/We further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries and appoint Assignee the common representative in the above identified international application and any international application for the invention.

I represent to the Assignee, its successors and assigns, that I/we have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I/We, my/our executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries, including without limitation providing testimony in any related interference, litigation or proceeding.
