## ASSIGNMENT

**WHEREAS, EZ Change Lock Company, LLC**, an Ohio limited liability company, 6234 B. Centre Park Drive, West Chester, Ohio 45069 ("Assignor") is the owner by assignment of certain new and useful inventions and improvements described in the patents and applications listed in Exhibit A and in and to the Letters Patent to be obtained therefor;

**WHEREAS, JaNaKa Limited Partnership**, an Ohio limited partnership, P.O. Box 1, Mason, Ohio 45040 ("Assignee"), pursuant to a Security Agreement dated March 3, 2006 has repossessed the collateral of Assignee including the patents and applications listed in Exhibit A and accepts such collateral in full satisfaction of its debt; and

**WHEREAS**, Assignee is desirous of confirming its ownership of the entire right, title, and interest in and to the patents and applications listed in Exhibit A and in and to the Letters Patent to be obtained therefore through an assignment thereof by Assignor;

**NOW THEREFORE**, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents does hereby sell, assign and transfer onto said Assignee, its successors or assigns, the entire right title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which they be granted therefrom, and all reissues and extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all letters patent of foreign countries which can be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right title and interest in to the same, for the use of the said Assignee, its successors and assigns.

**FOR THE CONSIDERATION AFORESAID**, Assignor does hereby agree that it will make, execute and deliver any and all other instruments in writing, including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to it relating to said improvements and the history thereof, and will testify in all legal proceedings and generally do all things which may be necessary or desirable to secure and to vest in said Assignee, its successors or assigns the entire right, title and interest in and to said improvements, inventions, applications, Letters Patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

**FURTHERMORE**, Assignor warrants that there is no assignment, grant, mortgage, license, or other agreement affecting the rights herein granted, and that the full right to convey the same as herein expressed is possessed by Assignee.

This Assignment is effective this 14<sup>th</sup> of November, 2009.
