from which various innovations and inventions have and do emanate (hereinafter
"innovations") and

WHEREAS:

Insight Catastrophe Group, LLC, 747 Third Ave., 30th Floor, New York, NY 10017

(hereinafter referred to as "ASSIGNEE") is desirous of acquiring the entire interest in, to and under said innovations and in, to and under Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all other countries.

NOW THEREFORE, TO ALL IT MAY CONCERN:

Be it known that for valuable consideration from ASSIGNEE to ASSIGNOR(S) the receipt of which is hereby acknowledged, to the extent not already assigned to the ASSIGNEE, I, on behalf of said ASSIGNOR(S) hereby assign, sell and transfer to ASSIGNEE and its successors, other legal representatives and assigns the entire right, title and interest to said innovations and to all Letters Patent, Applications thereof, or similar legal protection in the United States and its territorial possessions and in any and all other countries to be obtained for said innovations by said application(s), any related preceding and/or subsequent provisional, non-provisional, international, foreign, national phase, continuation, continuation in part, divisional, renewal, substitute, reissue or reexamination thereof or any legal equivalent thereof in any country for the full term or terms for which the same may be granted.

I, on behalf of said ASSIGNOR(S), hereby covenant that I (we) have the full right to convey the entire interest herein assigned and that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

I, on behalf of said ASSIGNOR(S), hereby agree to execute all papers necessary in connection with the application(s) and any related preceding and/or subsequent provisional, non-provisional, international, foreign, national phase, continuation, continuation in part, divisional, renewal, substitute, reissue, reexamination or corresponding applications thereof and also to execute separate assignments in connection with such applications as the ASSIGNEE may deem necessary or expedient;

I, on behalf of said ASSIGNOR(S), hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the empowered officials of all other governments to issue all said Letters Patent for said innovations to the ASSIGNEE as assignee of the entire right, title and interest into and under the same, for the sole use and enjoyment of said ASSIGNEE, its successors and assigns;

I, on behalf of said ASSIGNOR(S), hereby authorize the ASSIGNEE to apply for and obtain the recordation of this Assignment. I, on behalf of said ASSIGNOR(S), also hereby agree that I (we) shall, without further consideration, promptly and duly cause to be performed such lawful acts and execution of any other documents as the ASSIGNEE may reasonably request in order for the ASSIGNEE to obtain the full benefit of this Assignment and to permit the Assignment to be duly recorded in each office, bureau and tribunal in the appropriate jurisdiction as the registered owner or proprietor of each of the rights hereby assigned. Such instruments and documents shall include, without limitation, affidavits, including affidavits of

use, and other documents for filing in such jurisdictions as the ASSIGNEE may from time to time reasonably request.

AND it is further covenanted and agreed that I, on behalf of said ASSIGNOR(S), will, at any time upon request by the ASSIGNEE, its successors, legal representatives or assigns, communicate to said ASSIGNEE, its successors, assigns or other legal representatives, any facts relating to said innovations and the history thereof known to said ASSIGNOR(S) and testify as to same in any interference or any other legal proceeding when requested to do so, sign any and all lawful papers, execute any and all necessary assignment papers to cause any Letters Patent to be issued to ASSIGNEE, make all rightful oaths and generally do everything necessary or desirable to aid said ASSIGNEE, its successors and assigns, to obtain, perfect title in and enforce proper protection for said inventions in the United States and in any and all other countries, all without further compensation but at the expense of the ASSIGNEE, its successors, legal representatives and assigns.
