Dear Sir:

NeXT SOFTWARE, INC. is the correct, true, and sole owner of U.S. Patent No. 6,820,268. The Assignment recorded on November 20, 2002 at Reel 013520 Frame 0702 by another party was erroneously submitted with a typographical error on the assignment coversheet. The correct, true, and sole owner's undersigned representative attempted to contact the party who recorded the papers with the erroneous information but was unsuccessful due to the party's correspondence address no longer being valid. As such, the correct, true, and sole owner is now recording the necessary papers with the Assignment Services Division to correct the error according to MPEP 323.01(c).
