46996 (P-6120, P-6121, P-6267)
Serial No. 11/106,728
Filed: APRIL 15, 2005

ASSIGNMENT

WHEREAS, Gregg Draudt, Mark Follman, Ray Yao, Robert McCaffrey, and Victor Chan, all citizens of the United States of America; Dirk Ahlgrim, and Jan Schminke, both citizens of Germany; and José Colucci Jr., a citizen of Canada, (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to:

"BLOOD GLUCOSE METER HAVING INTEGRAL LANCET DEVICE AND TEST STRIP STORAGE VIAL FOR SINGLE HANDED USE AND METHODS FOR USING SAME"

for which they are making application for Letters Patent of the United States, and which application has been filed in the U.S. Patent and Trademark Office on APRIL 15, 2005 and assigned Serial No. 11/106,728; and

WHEREAS, Becton, Dickinson and Company, a corporation of the State of New Jersey (hereinafter called "Assignee"), is desirous of acquiring the entire right, title, and interest therein;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the premises, and in acknowledgment, confirmation and performance of obligations which arose out of the terms and conditions of agreements that relate to Assignors' employment by Assignee at the time the invention was made, and/or other valuable considerations to them, the receipt and sufficiency of which are hereby acknowledged, Assignors have assigned and transferred, and do hereby assign and transfer unto said Assignee, the entire right, title and interest in and to all said inventions and discoveries disclosed in said application whose identification above by serial number and filing date, when available, is hereby authorized, and in and to said application, all provisionals, substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue said Letters Patent in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignee that they have a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them, promptly communicate to said Assignee or its representatives any facts known to them relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignee the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title;

And Assignors hereby grant the firm of Roylance, Abrams, Berdo & Goodman, LLP, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.

ASSIGNMENT

WHEREAS, Gregg Draudt, Mark Follman, Ray Yao, Robert McCaffrey, and Victor Chan, all citizens of the United States of America; Dirk Ahlgrim, and Jan Schminke, both citizens of Germany; and José Colucci Jr., a citizen of Canada, (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to:

"BLOOD GLUCOSE METER HAVING INTEGRAL LANCET DEVICE AND TEST STRIP STORAGE VIAL FOR SINGLE HANDED USE AND METHODS FOR USING SAME"

for which they are making application for Letters Patent of the United States, and which application has been filed in the U.S. Patent and Trademark Office on APRIL 15, 2005 and assigned Serial No. 11/106,728; and

WHEREAS, Becton, Dickinson and Company, a corporation of the State of New Jersey (hereinafter called "Assignee"), is desirous of acquiring the entire right, title, and interest therein;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the premises, and in acknowledgment, confirmation and performance of obligations which arose out of the terms and conditions of agreements that relate to Assignors' employment by Assignee at the time the invention was made, and/or other valuable considerations to them, the receipt and sufficiency of which are hereby acknowledged, Assignors have assigned and transferred, and do hereby assign and transfer unto said Assignee, the entire right, title and interest in and to all said inventions and discoveries disclosed in said application whose identification above by serial number and filing date, when available, is hereby authorized, and in and to said application, all provisionals, substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, it's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue said Letters Patent in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignee that they have a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, it's successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them, promptly communicate to said Assignee or it's representatives any facts known to them relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or it's representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignee the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title;

And Assignors hereby grant the firm of Roylance, Abrams, Berdo & Goodman, LLP, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.
