AND WHEREAS, MDI Technologies, Inc. (hereinafter ASSIGNEE), a Florida corporation  
having a principal place of business at 90 Fort Wade Road, Ponte Vedra, Florida, 32081, is  
desirous of obtaining the entire right, title and interest in and to the invention, and in and to the  
said application(s) and any Patent(s) that may issue thereon.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNORS do hereby sell, assign and transfer unto ASSIGNEE, its successors, assigns and legal representatives its entire right, title and interest in and to said inventions and in and to said applications and all patents which may be granted therefore throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and including the right, title and interest in all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks or similar appropriate authority to issue all patents for said invention, or patents resulting therefrom, insofar as ASSIGNORS' interests are concerned, to the said ASSIGNEE of ASSIGNORS' entire right, title and interest.

ASSIGNORS further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in ASSIGNEE, its successors, assigns and legal representatives.

ASSIGNORS hereby further agree to communicate with said ASSIGNEE, or its successors, assigns and legal representatives, any facts known to ASSIGNORS respecting any improvements; and, at the expense of said ASSIGNEE, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in said ASSIGNEE and to aid said ASSIGNEE, its successors, assigns and legal representatives to obtain and enforce proper protection for said invention in all countries.

ASSIGNORS hereby grant the firm of WILLIAMS MULLEN, PC its agents the power to insert on this assignment any further identification, including but not limited to application number(s) and filing dates, which may be necessary or desirable in order to comply with any rule or request of the United States Patent and Trademark Office or other country or regional patent office for the purposes of recording this document.
