ASSIGNMENT BY EXECUTOR

WHEREAS, Henry Teasdale Fenwick, has invented certain new and useful improvements in "Domestic Water Tap or Faucet with Floating Buoyant Ball Valve and Activation Rod" for which an application is being made for a Patent of the United States, said application was filed on Oct. 19, 2011 and accorded application number 13/265,210;

Whereas, Pride Technologies International Pty Ltd, a proprietary limited company under the laws of Australia, and having its principal offices at 17 Wittenoom Street, East Perth, WA Australia 6004, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained thereof;

Whereas, Diana Purcell, is the executor of the last will and testament of Henry Teasdale Fenwick, deceased.

Now, therefore, for good and valuable consideration to me paid by the said Pride Technologies International Pty, Ltd, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Pride Technologies International Pty Ltd, its successors and assigns, my entire right, title and interest in and to said invention, said application and the Letters Patent, that may or shall issue, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

Date: 20.12.2011
