NOTICE
OF
GRANT OF SECURITY INTEREST
IN
PATENTS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Revolving Loan, Security and Guaranty Agreement, dated as of December 21, 2011 (as the same may be amended, modified, restated or supplemented from time to time, the "Loan Agreement"), by and among the Loan Parties from time to time party thereto (each a "Grantor" and collectively, the "Grantors") and Bank of America, N.A., as Agent (the "Agent") for the Secured Parties referenced therein, the undersigned Grantor has granted to Agent, for the benefit of the Secured Parties, a continuing security interest in and Lien upon, the patents and patent applications set forth on Schedule 1 attached hereto (the "Patents"). Capitalized terms used in this Notice of Grant of Security Interest in Patents but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Loan Agreement.

The undersigned Grantor and the Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the Patents (i) may only be terminated in accordance with the terms of the Loan Agreement and (ii) is not to be construed as an assignment of any of the Patents.

Upon the payment in full of all Obligations of the Loan Parties, the Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Patents under this Notice of Grant of Security Interest in Patents.

This Notice of Grant of Security Interest in Patents may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Notice of Grant of Security Interest in Patents by signing and delivering one or more counterparts. This Notice of Grant of Security Interest in Patents shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of laws principles thereof.
