ASSIGNMENT

WHEREAS, the below identified inventor, (the "Assignor") having invented a certain new and useful invention for a "Wrist Brace" for which I have filing an application for Design Patent of the United States.

WHEREAS, Exos Corporation, a Minnesota company, at 1122 Red Fox Road, Arden Hills, MN 55112 (the "Assignee") is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and application for Design Patent in the United States and in any and all foreign countries; and

NOW, THEREFORE, in consideration for an interest in Assignee to me by the said Assignee and other good and valuable consideration, receipt whereof is hereby expressly acknowledged, I, the below-identified Assignor hereby sell, transfer and set over to the said Assignee, successors, legal representatives and assigns, the entire right, title and interest in and to the aforesaid invention and the aforesaid application, for the territory of the United States of America and for all foreign countries, and to all Letters Patents, divisions, continuations, continuations-in-part, substitutions, reissues, reexaminations and extensions to be obtained therefor; and I further agree to cooperate with the said Assignee hereunder in the obtaining and the sustaining of any or all such Letters Patent but at the expense of the said Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with this Assignment, to the said Assignee, his successors, legal representatives and assigns, as the Assignee of the entire right, title and interest therein.

Further, I agree that I will communicate to said Assignee, or its representatives any facts known to us respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all division, continuation, continuation-in-part, substitution, reissue, reexamination and extension applications, execute all necessary assignment paper to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything necessary or desirable to aid said Assignee its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

This Assignment is executed by the below-identified Assignors as of the respective date set forth below to be effective as of the respective date set forth below.
