## ASSIGNMENT

WHEREAS, we, the below identified individuals, are the co-inventors of the **VELOCITY STACK MOUNTED AIR FILTER ASSEMBLY** (hereinafter "the Invention") which is fully set forth, described and claimed in United States Patent Application Serial Number **12/800,463** filed **May 14, 2010** (hereinafter "the Patent"); and

WHEREAS, **R2C Performance Products, LLC**, (hereinafter "R2C"), a corporation organized and existing under the laws of the State of Illinois and having its principal place of business at Forest Park, Illinois, desires to acquire the entire right, title and interest in and to the invention, any Letters Patent applications thereon and any Letters Patents that may be issued therefrom;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, hereby assign, sell, transfer and set over unto **R2C**, for the territory of the United States of America and for all foreign countries the full, entire and exclusive right, title and interest in and to: a) the invention, b) United State Letters Patent Application, c) any United States Letters Patent or reissues to be obtained on the invention from the afore mentioned United State Letters Patent Application or any divisions, continuations, continuations-in-part or substitutes thereof, and any renewals or extensions that may be issued thereon, and d) any Letters Patent applications that may be filed on the invention in countries foreign to the United States and any Letters Patents issued thereon, the invention, the Letters Patent applications and the Letters Patents to be held and enjoyed by **R2C** to the full end of the term or terms for which the Letters Patents may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent and Trademark Office officials of any, and all foreign countries to issue any and all Letters Patents, when granted to **R2C**, as assignee of my entire right, title, and interest in and to the same for the sole use and enjoyment of **R2C**.

Further, we agree, upon request, to sign and execute such documents and papers as may be necessary to procure, secure and maintain a Letters Patent on the invention

and improvement, along with any divisional, continuing, substitute, renewal, and reissue patent applications, or any reissue or extension thereon in the United States and/or in any foreign country, and/or to hold, enforce or convey any such Letters Patents, reissues or extensions.
