inventions, said discoveries, said applications and said Letters Patent;

WE, SAID ASSIGNORS, hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and any Official of any country or countries foreign to the United States of America whose duty it is to issue Letters Patent on applications as aforesaid, to issue all such Letters Patent for said inventions, discoveries and improvements to the ASSIGNEE, as assignee of the entire right, title and interest in, to and under the same, for the sole use and benefit of the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

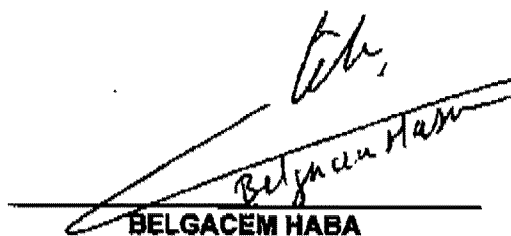

WE, SAID ASSIGNORS, hereby covenant with ASSIGNEE, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned and that I have full right to convey the entire right, title and interest herein sold, assigned, transferred and set over;

WE, SAID ASSIGNORS, hereby further authorize the ASSIGNEE, its successors, legal representatives, or assigns, to file patent applications in any or all countries or groups of countries on any or all of said inventions, discoveries and improvements in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or any other relevant convention or treaty or otherwise;

AND WE, SAID ASSIGNORS, for us and our legal representatives, heirs and assigns, do hereby agree and covenant that we shall, at any time, when called upon to do so by the ASSIGNEE, its successors, legal representatives, or assigns, do all acts reasonable serving to assure that said inventions, discoveries and improvements, said patent applications and said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by us, our heirs, legal representatives and assigns if this assignment had not been made; and particularly to communicate to the ASSIGNEE, its successors, legal representatives, or assigns, as the case may be, any facts known to us respecting said inventions, discoveries and improvements, and to execute and deliver any and all lawful papers that may be necessary or desirable to perfect the title to the said inventions, discoveries and improvements, the said applications and the said Letters Patent in the ASSIGNEE, its successors, legal representatives and assigns, and that, if reissues of the said Letters Patent or disclaimers relating thereto, or divisions, continuations, or refilings of the said applications, or any thereof, shall hereafter be desired by the ASSIGNEE, its successors, legal representatives, or assigns, we shall, at any time, when called upon to do so by the ASSIGNEE, its successors, legal representatives, or assigns, sign all lawful papers, make all rightful oaths, execute and deliver all assignments, disclaimers, and lawful affidavits in form and substance as may be requested for all divisional, continuation and reissue applications so desired, and do all lawful acts requisite for the application for such reissues and the procuring thereof and for the filing of such disclaimers and such applications, and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said inventions, discoveries and improvements in all countries, all without further compensation, but at the expense of the ASSIGNEE, its successors, legal representatives and assigns.
