## ASSIGNMENT

WHEREAS, Westblock Systems, Inc., (hereinafter "Westblock Systems"), having a place of business at 1174 Cornucopia Street, Suite 120, Salem, Oregon 97304, has assigned to Westblock Development, LLC, (hereinafter "Westblock Development"), a limited liability company organized under the laws of the State of Oregon, having a place of business at 1174 Cornucopia Street, Suite 120, Salem, OR 97304, the patent applications listed on the attached Schedule A (referred to hereinafter as the "patent applications") by an agreement dated November 18, 2011;

WHEREAS, Westblock Systems desires to confirm the previous assignment of the patent applications:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Westblock Systems, hereby sells, assigns and transfer to Westblock Development, the full and exclusive right, title and interest in the patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said designs, inventions, patent applications and letters patents in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Westblock Development, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patents may be granted in this or any foreign country, as fully and entirely as the same would have been held by Westblock Systems had this assignment and sale not been made.

Westblock Systems agrees that it will communicate to Westblock Development, or its successors and assigns, any facts known to it respecting the patent applications, and testify in any

legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Westblock Development, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

Westblock Development hereby grants the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

THIS ASSIGNMENT is dated and effective as of 11-18-11, 2011.
