PATENT ASSIGNMENT

THIS ASSIGNMENT OF PATENTS (this "Assignment") is made by Christopher Alberg ("Assignor") and Stefan Truvé ("Assignor"), to Recorded Future, Inc., a Delaware corporation ("Assignee").

RECITALS

WHEREAS, Assignor, is the sole owner of the United States Patents or United States Patent Applications listed on Schedule A hereto, having full right to convey all right, title and interest, both legal and equitable, in and to said patent(s), patent application(s) and the invention or inventions described therein, free from all prior assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever.

ASSIGNMENT AND AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the undersigned, the undersigned does hereby sell, assign, transfer and set over unto said Assignee, its successors and assigns, all right, title and interest throughout the world in and to said patent(s) and patent application(s) and the invention or inventions described therein, in any form or embodiment thereof, and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications and claim priority under the provisions of any international convention or treaty; also the entire right, title and interest throughout the world in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country (collectively "patents"); and the undersigned hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any other issuing authority to issue any and all Letters Patent for all such patents, including application or applications, to said Assignee or its successors and assigns.

The undersigned further agrees, without any further payment or compensation by said Assignee or its successors and assigns, to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said patents including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignee, its successors or assigns and nominees to secure, obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

[Signature pages follow.]

IN WITNESS WHEREOF, the undersigned has executed this Assignment as of the date first above written.
