PATENT RELEASE

THIS PATENT RELEASE (the "Release") is made effective as of the 6th day of December, 2011 by THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., the Notes Collateral Agent for the Secured Parties, in favor of Avaya Inc. (the "Grantor").

Reference is made to the Patent Security Agreement (Short Form), dated as of February 11, 2011, between the Notes Collateral Agent and the Company (the "Patent Security Agreement") and to the Pledge and Security Agreement dated as of February 11, 2011 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement," and, together with the Patent Security Agreement, the "Agreements"), among the Company, certain Subsidiaries of the Company from time to time party thereto and the Notes Collateral Agent. Capitalized terms used in this Release and not otherwise defined herein have the meanings specified in the Security Agreement.

WHEREAS, pursuant to the terms and conditions of the Agreements, the Grantor granted to the Secured Parties a continuing security interest in all of its right, title and interest in and to certain patents identified on a schedule to the Patent Security Agreement (the "Schedule");

WHEREAS, the patents set forth on the Schedule incorrectly included the patents listed on Annex 1 hereto (the "Patents");

WHEREAS, the parties hereto wish to modify the Schedule to delete the Patents and remove them from the list of identified collateral; and

WHEREAS, the parties hereto have agreed to such modification on the basis of a certificate provided by an officer of the Grantor indicating that, prior to the date of the Agreements, the Patents had been sold by the Grantor and were not the Grantor's property as of February 11, 2011.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

Effective February 11, 2011, the Notes Collateral Agent and the Grantor agree to amend the Schedule set forth on the Patent Security Agreement to remove the Patents and to acknowledge that no security interest existed under any of the Agreements with respect to such Patents as of such date.

This Release shall be construed in accordance with and governed by the laws of the State of New York.
